Memorandum

Subject: Waiver of Bi-Weekly Limitations on Premium Pay – South Fork and Salt Fires, State of New Mexico

A declaration of emergency was declared by President Joseph R. Biden, Jr., due to the South Fork and Salt Fires in the State of New Mexico. Given that Department of the Interior (Department) employees have provided disaster response support for this event, Department employees are authorized a waiver of the bi-weekly limitations on premium pay and are authorized an increase to the calendar year (CY) 2024 pay limitations, as defined by the provisions of 5 U.S.C. §5547, if they perform work in direct response, recovery, emergency management and mitigation efforts for this event. This waiver of bi-weekly pay limitations is effective June 17, 2024. The annual pay limitation, as established in 5 CFR §550.106 and 5 CFR §550.107 remains in effect.

Employees granted waivers during CY24 may receive premium pay only to the extent that the payment does not cause the total of their basic pay and premium pay for CY24 to exceed the greater of the annualized rate payable for GS-15, step 10 or level V of the Executive Schedule.

The headquarters human resource office for each bureau will keep a record of the number of employees affected and types of premium pay involved for waivers granted under the provisions of this memorandum. These records will be made available upon request from the Department or the U.S. Office of Personnel Management.

Questions should be addressed to your respective Bureau Human Resources Servicing and/or payroll provider. The DOI Office of Human Capital point of contact is Mechelle Muthuveeran at mechelle_muthuveeran@ios.doi.gov.
