

INTERIOR BUSINESS CENTER

U.S. DEPARTMENT OF THE INTERIOR

Financial Management

OMB-designated federal shared service provider for financial management.

EXPERIENCE AND EXPERTISE

The Interior Business Center is a certified shared services provider offering financial management services, including accounting, eTravel services, core financial systems implementation, production control, and technical support.

We also offer project management and COR services to our federal customers. In addition, we provide contract audit services and indirect cost rate negotiations with nonfederal entities including Indian tribal governments and insular areas, state, and local governments.

In addition to the modules that make up the core financials software, IBC offers both PRISM and Oracle's Contract Lifecycle Management (CLM) as integrated acquisitions solutions.
