Lars and Mike,

**January 29, 2021 Continued**

Friday

Thank you both for agreeing to do this. We would like to host the call at 9am this Friday, January 29<sup>th</sup> with the LMOGA and OOC members. We can do this as a "listen only" session; however, we would just ask that BSEE and BOEM share any information that is available and ready to be distributed. We can field questions from industry to make sure all potential unintended consequences are understood and conveyed to the administration officials. We can use this time to help capture and document questions which may help BSEE and BOEM seek official answers.

Thank you again. We will set up a Zoom call and send you the call in details with a calendar invitation. Please let me know if you have any other questions.

Thank you,

Thank you Mike. If Lars is in agreement, perhaps you can both send me your availability on Thursday and Friday this week. Going forward we envision this being a regularly scheduled call similar to the current OOC Covid-19 call and would like to schedule it twice per week, maybe a Tuesday and Friday morning. We anticipate additional orders and would like to help maintain the lines of communication between the agency and operators.

Lars & Mike,

Good afternoon. Will BSEE and BOEM be available for a call with LMOGA and OOC members to discuss Order No. 3395. Our associations are fielding numerous enquiries as to the details of the order and how it will effect offshore operations. We would welcome the opportunity to schedule a call with both of the agencies simultaneously. As you both know, the associations have hosted joint meetings previously and it is an efficient means of communicating to the industry. Please let me know at your earliest convenience if this is something you or your designee can participate in as we would like to schedule it this week.

Thank you,

Lori

Gavin,

We have better numbers for the BLM move, and would like to have more time to talk internally before we send anything out. Ruchi Jain and Travis Annatoyn are handling this in my office. I'm copy Laura Daniel Davis in case she wants to weigh in.

**Subject:** Fw: GAO Follow-Up Questions Draft Response

Good Afternoon Bob,

I hope that all is going well for you today (and every day)!

Last year, DOI's Bureau of Land Management relocated numerous headquarters and M Street positions to various spots in the

West. GAO, along with House Oversight Committees/Subcommittees, raised numerous questions and concerns, which the previous Administration asked ELLU to answer and address. For many months, my expert team members (ELLU Deputy Director Jennifer Koduru and ELLU Team Lead Devin Collier) and I worked with then-Principal Deputy Solicitor Greg Zerzan and then-Deputy Solicitor (General Law) Hubbel Relat to develop acceptable responses.

With the new team presently onboarding, ELLU continues the interactive process. The attached documents represent draft replies that ELLU proposes to send GAO, which has requested information by January 29. Apologizing in advance for sending these materials to you at such a hectic time, I invite you to review the draft responses, and I welcome your guidance and recommendations. Please let me know if you'd like to discuss, at your convenience, the enclosed information with Jennifer, with Devin, and with me. Thanks, and we look forward to receiving your comments. Stay safe

Tuesday

Hi Gavin and Jen:

For your review, I have attached two .docx documents - the first is my intended email message to Marietta Revesz at GAO; the second is the BLM's responses to the GAO's December 2020 follow-up questions. The documents we intend to produce in response to the GAO's production request are located at (b) (5)

FYI - a few minutes ago, I was on a call with Mike Nedd, Jeff Krause, Melissa Schwartz (new Comms Director), Cara Lee McDonald, and Laura Daniel-David discussing the BLM's Washington Post response. Cara Lee McDonald requested that we include her on the team of employees who will review our response to the GAO.

Please let me know if you have any questions.

Sincerely,

Devin D. Collier

**Subject:** Fw: GAO Follow-Up Questions Draft Response

Good Afternoon Bob,

I hope that all is going well for you today (and every day)!

Last year, DOI's Bureau of Land Management relocated numerous headquarters and M Street positions to various spots in the West. GAO, along with House Oversight Committees/Subcommittees, raised numerous questions and concerns, which the previous Administration asked ELLU to answer and address. For many months, my expert team members (ELLU Deputy Director Jennifer Koduru and ELLU Team Lead Devin Collier) and I worked with then-Principal Deputy Solicitor Greg Zerzan and then-Deputy Solicitor (General Law) Hubbel Relat to develop acceptable responses.

With the new team presently onboarding, ELLU continues the interactive process. The attached documents represent draft replies that ELLU proposes to send GAO, which has requested information by January 29. Apologizing in advance for sending these materials to you at such a hectic time, I invite you to review the draft responses, and I welcome your guidance and recommendations. Please let me know if you'd like to discuss, at your convenience, the enclosed information with Jennifer, with Devin, and with me. Thanks, and we look forward to receiving your comments. Stay safe

Hi Gavin and Jen:

For your review, I have attached two .docx documents - the first is my intended email message to Marietta Revesz at GAO; the second is the BLM's responses to the GAO's December 2020 follow-up questions. The documents we intend to produce in response to the GAO's production request are located at (b) (5)

FYI - a few minutes ago, I was on a call with Mike Nedd, Jeff Krause, Melissa Schwartz (new Comms Director), Cara Lee McDonald, and Laura Daniel-David discussing the BLM's Washington Post response. Cara Lee McDonald requested that we include her on the team of employees who will review our response to the GAO.

Please let me know if you have any questions.

Sincerely,

Devin D. Collier

**All-Day Training on Bankruptcy and Mineral Law for Attorneys and Non-Attorneys -- Microsoft Teams Meeting**

Agenda 2-17-21 Consolidated PPI;  
Mineral Law Ban... Bankr and MI...

Good Morning,

Though rescheduled several times, on next Wednesday, February 17, 2021 from 10 am - 6 pm EST, the Division of Mineral Resources within the Department of the Interior's Office of the Solicitor is hosting a virtual training course via MS Teams on Bankruptcy and Mineral Law instructed by attorneys from the Department of Justice's ENRD and Civil Divisions to better prepare bureaus to identify issues common to bankruptcies of oil and gas and mineral producers, which may hold Federal lease interests or be regulated by Federal agencies. While designed mostly for attorneys, the course will also highlight issues of concern to non-attorney policy decision-making staff. To make this training as widely available as possible, the course will take place over the Microsoft Teams video platform and will be accessible to DOI, DOJ and USDA/USFS staff. Though not necessary to participate, in order to receive credit for the course please enroll through the DOI Talent platform [here](#).

The course will discuss the following topics:

- Government's Goals in Bankruptcy Cases;
- Identification of key documents;
- Suggestions on what to do when a new bankruptcy is filed;
- Overview of bankruptcy process and creation of the Bankruptcy Estate;
- Bankruptcy Trustee Roles and Responsibilities;
- Key differences and similarities between liquidation and Reorganization;
- Automatic Stay and Environmental Enforcement;
- Application of agencies regulatory and police powers in bankruptcy;
- Claims and Priorities, including treatment of secured claims, unsecured claims, administrative expenses;
- Filing Proofs of Claim and Bar Dates;
- Abandonment and Rejection of Federal leases and permits;
- Assumption and Assignment of Federal leases, permits, and rights-of-

way;

- Lease and Grant Decommissioning and Reclamation Obligations and their treatment in Bankruptcy;
- Sales of Federal leases in bankruptcy;
- Financial Assurance; and
- Limitations on Regulatory Enforcement and Discrimination by Government Entities.

This calendar event will replace the “Save the Date” placeholder. If you know anyone that may also be interested in this course that is not on the list, please respond to this email and they will be added. As always, feel free to reply with questions or concerns.

Thank you for your interest in this training, for your patience as the course has been rescheduled several times, and for your hard work, day in and day out.

Best Regards, Ryan

Hi everyone,

Either Chelsey or I (or both!) will be on this Teams meeting M-W-F each week to answer any questions you might have as you settle into your positions. This is definitely an optional event, we just wanted to have a space where folks could drop in (since we aren't all together so you can't drop into our actual office yet)!

Thanks,

**Exit Audit Discussion with EEOC -- Microsoft Teams Meeting**

EEOC completed its audit of DOI's EEO programs in October 2020. Because ODICR requested the opportunity to have EEOC present its recommendations to our new leadership team, EEOC has agreed to meet with DOI leadership.

During the course of the one-hour meeting, EEOC will address particular changes with the DOI EEO Programs and

provide specific recommendations to address identified challenges to the program. EEOC is simply presenting

information and not expecting DOI to provide substantive responses at this time. This is informational meeting.

White House Liaison Office Hours

Hi everyone,

Either Chelsey or I (or both!) will be on this Teams meeting M-W-F each week to answer any questions you might have as you settle into your positions. This is definitely an optional event, we just wanted to have a space where folks could drop in (since we aren't all together so you can't drop into our actual office yet)!

Thanks,  
-Maggie

Either Chelsey or I (or both!) will be on this Teams meeting M-W-F each week to answer any questions you might have as you settle into your positions. This is definitely an optional event, we just wanted to have a space where folks could drop in (since we aren't all together so you can't drop into our actual office yet)!

Thanks,

**Subject:** RE: [EXTERNAL] GAO Follow-ups to 2-12 documents

I talked to Tonya Johnson, our DCFO and the head of PFM (the intake office for GAO requests) and here is what she said about how meeting requests have been handled in the past.

“Excluding BLM special circumstances, normally what transpires is that when GAO likes to speak directly with someone in the perspective Bureau we PFM are present to help facilitate the meeting. These are usually non-critical or heightened issues. However, because of the sensitive nature surrounding BLM (the move to Grand Junction), previously what transpired is that SOL, the PDAS, myself, along with my ICAF team and the BLM staff were a part of the meeting with SOL leading the discussion in its entirety.”

If we want to host a meeting with a larger group to work out a meeting protocol here are individuals that would potentially participate.

Hi everyone,

Either Chelsey or I (or both!) will be on this Teams meeting M-W-F each week to answer any questions you might have as you settle into your positions. This is definitely an optional event, we just wanted to have a space where folks could drop in (since we aren't all together so you can't drop into our actual office yet)!

Thanks,

Brad, thanks so much for making the introductions. Moving you to BCC.

Roxanne and Anna

I look forward to working with USW in my new role here at BOEM. I see labor as a critical player in our work going forward and partnering with you is a high priority of mine and the Department. I hope we can meet someday soon.

In the meantime, I hope to flag an announcement very quickly. Is there somewhere I can give you a call?

This is definitely an optional event, we just wanted to have a space where folks could drop in (since we aren't all together so you can't drop into our actual office yet)!

Thanks,

Hi everyone,

Either Chelsey or I (or both!) will be on this Teams meeting M-W-F each week to answer any questions you might have as you settle into your positions. This is definitely an optional event, we just wanted to have a space where folks could drop in (since we aren't all together so you can't drop into our actual office yet)!

Hi everyone,

Either Chelsey or I (or both!) will be on this Teams meeting M-W-F each week to answer any questions you might have as you settle into your positions. This is definitely an optional event, we just wanted to have a space where folks could drop in (since we aren't all together so you can't drop into our actual office yet)!

Thanks,  
-Maggie

**Subject:** [EXTERNAL] BlueGreen Alliance - Introduction and Offshore Wind discussion

Hello Amanda,

Congratulations! I hope you are settling into your new role at BOEM.

The BlueGreen Alliance staff and alliance partners welcome you and very much look forward to working together on delivering and expanding a strong and responsible offshore wind industry in the United States.

I'd like to work with you to schedule an introductory meeting. As I'm sure your schedule is packed, would you be able to send a few times that work for you and I'll coordinate the appropriate schedule on my side.

I look forward to connecting.

Best,

Hillary

**White House Liaison Office Hours**  
Hi everyone,

Either Chelsey or I (or both!) will be on this Teams meeting M-W-F each week to answer any questions you might have as you settle into your positions. This is definitely an optional event, we just wanted to have a space where folks could drop in (since we aren't all together so you can't drop into our actual office yet)!

Thanks,  
-Maggie
