Colleagues –

While there is still time for the Congress to complete appropriations for the fiscal year that begins Sunday, October 1, it has not yet completed its work. Accordingly, prudent planning requires us to continue with our preparations for a potential lapse.

Consistent with guidance in OMB Circular A-11, agencies should have begun notifying employees of the status of funding

earlier today. OMB convened your teams to provide an update earlier this afternoon at 2:00 pm.

We will be convening a meeting tomorrow, September 29th at 9:30 am for Agency Deputies and/or Chiefs of Staff to discuss operational details about the execution of an orderly shutdown.

We are restricting the manifest for this meeting and there will be no substitutes.

Thank you,  
JM
