Financial Management

IBC is an OMB-designated federal shared services provider offering financial management services, including accounting, eTravel services, financial systems implementation and support, project management, COR services, acquisition audit and indirect cost services.

ACCOUNTING OPERATIONS SERVICES

Processing and certifying client transactions, preparing financial statements, submitting required financial reports, and assisting in the establishment and compliance with financial management policies, laws and regulations.

WHAT WE OFFER

We deliver accounting operations services in a SSAE and A-123 compliant environment.

- Accounts payable that includes vendor, permanent change of station, temporary duty, grants payments, award updates, adjustments, and recipient expenditure data
- Permanent change of station travel counseling and online employee initiated PCS voucher submission and review
- General ledger analysis and reconciliations
- Financial statement and regulatory report operations (CARS/GTAS/FBWT/TROR/MDR/Financial Statements)
- Accounts Receivable/Reimbursements/Central Collections Processing
- Debt management and associated transaction processing
- Process automation to design, implement and maintain bots on behalf of customers

OUR SERVICES

- Review and coordinate requirements, directives, and initiatives established by federal statutes and implement directives from central authorities, such as GAO, OMB and Treasury
- Establish and prepare reconciliation procedures to ensure the accuracy of financial data
- Prepare all official financial and budgetary reports to Treasury, OMB, and other government agencies
- Analyze all funds authorized to support assigned program and administrative efforts
- Process payment requests, award updates, adjustments, and recipient expenditure data by the financial system
- Oversee the federal payment process
