Predecisional and deliberative

Hi all,

Holding this time on Friday for a discussion of clean energy and conservation off the coast of California. I think we want to keep the group relatively small to facilitate discussion and thinking about next steps, but if there's a key person or two from your agency/office that I missed, please let me know. Here is a draft agenda – edits welcome:

UPDATE 9/3: ~~Removing the "Hold" and confirming this meeting for Tuesday, Sept 7.~~

~~**UPDATE 8/23:** Apologies for late notice, but we need to reschedule this 8/23 meeting. I'll put a hold on your calendars for the next available time for most of the participants, which is Sept. 7. Please contact me if you are a required participant and are unable to make it at the rescheduled time. Thanks, Lesia~~

Lesia,

In addition to the monthly critical minerals check-ins, Raina asked that we set up a USGS briefing on minerals in Alaska and the Arctic. We've put together the invitees list – can you help us find a time for the briefing? Melby Berry (CCed) can help coordinate the USGS calendars.

Invitees: DOI – Raina, Steve Feldgus, Bryan Newland; USGS – Sarah Ryker, Tom Crafford, Steve Fortier, Aimee Devaris, Dee Williams

Optional: Tanya Trujillo (ASWS), Leslie Jones (USGS Chief of Staff), Bill Lukas (USGS Liaison to Water & Science)

This is an overview that USGS Minerals gave to the National Security Council a few months ago. We can provide the slide deck ahead of time.

Thank you!

Kenzie – as discussed, here's a representative group of sportsmen working on migration policy in DC. You're probably in touch with many of them. Group – Kenzie works for DepSec Beaudreau and is interested in a call to touch base on the latest ideas at DOI. I will send an invite for next Tuesday at 1pm EDT. If we can't get a quorum then, we will coordinate

rescheduling here at WR. Looking forward to catching up with you all on this. Thanks -Greg

Holding this time each week to coordinate on land & water conservation, climate, and jobs actions outlined in the early EOs. We likely won't need the full hour each week but blocking the time in case. Hoping to keep the group relatively small: 1-3 key people per agency/office.

Thanks,
Matt

Subject: [EXTERNAL] Invitation to Deputies Committee on DEIA Executive Order

When: Friday, September 24, 2021 1:30 PM-2:00 PM.

Where: (b) (5)

CAUTION: This email is from outside USCCR.

Colleagues,

As you know, on June 25 President Biden signed [Executive Order 14035](#) on Diversity, Equity, Inclusion, and Accessibility in the Federal Workforce. The Order directs that by October 4th, agencies will submit an assessment of the current state of diversity, equity, inclusion, and accessibility (DEIA) within their workforce practices and culture. As agencies move into the final stage of drafting and reviewing these assessments over the next few weeks, the Domestic Policy Council will convene a short Deputies Committee meeting with interagency leadership to discuss the importance of these assessments, and help provide additional guidance on completing them within your agency. Please join us this Friday from 1:30-2:00pm. An agenda for the conversation is attached.

Holding this time each week to coordinate on land & water conservation, climate, and jobs actions outlined in the early EOs. We likely won't need the full hour each week but blocking the time in case. Hoping to keep the group relatively small: 1-3 key people per agency/office.

Thanks,
Matt
