Hi Agency Leads –

Thank you for confirming your Principals attendance to the [Interagency Working Group \(IWG\) on Coal and Power Plant Communities and Economic Revitalization](#). Below is the zoom language and I have attached a draft high-level agenda.

This meeting will focus on accomplishments to date, including a very successful round of technical workshops highlighting significant new EDA funding for coal communities. The meeting will also tee up several key issues for discussion, including reports out from IWG agencies on current and proposed commitments to support coal and power plant communities. A more detailed agenda and materials will be attached to this invitation by the end of this week.

If you have any scheduling questions or would like to add a staffer for your Principal, please reach out to me.

If there are any agenda items or content questions, please reach out to the IWG's Deputy Executive Director, Briggs White: Briggs.White@netl.doe.gov.

Best regards,

Suzanna Steele (she/her)

Draft Document attached. Please review prior to the deputies meeting tomorrow.

Thanks.

We hope that you can join us for an important Deputies meeting, and getting your input on a methane strategy document that we have developed.

We will send you the draft document shortly. The document is based on input received from your agencies, but it will benefit from your fresh eyes – plus any additional ambition that you might want to suggest as we move forward with a whole-of-government effort to reduce methane emissions.

Thanks.

Holding this time each week to coordinate on land & water conservation, climate, and jobs actions outlined in the early EOs. We likely won't need the full hour each week but blocking the time in case. Hoping to keep the group relatively small: 1-3 key people per agency/office.

Thanks,
Matt

Holding this time each week to coordinate on land & water conservation, climate, and jobs actions outlined in the early EOs. We likely won't need the full hour each week but blocking the time in case. Hoping to keep the group relatively small: 1-3 key people per agency/office.

Thanks,
Matt

Holding this time each week to coordinate on land & water conservation, climate, and jobs actions outlined in the early EOs. We likely won't need the full hour each week but blocking the time in case. Hoping to keep the group relatively small: 1-3 key people per agency/office.

Thanks,
Matt

Hello everyone!

Quick update that, for those who would like to be in-person, we are going to have the option to attend the political all hands meeting in person in room 5160. We will still have the full digital set-up for those who would like to call in via Microsoft Teams too. That said, if you are in the office you are welcome to mask up and come to room 5160 to join in person.

Thanks so much,
-Maggie

Holding this time each week to coordinate on land & water conservation, climate, and jobs actions outlined in the early EOs. We likely won't need the full hour each week but blocking the time in case. Hoping to keep the group relatively small: 1-3 key people per agency/office.

Thanks,
