Agreed – and in my view the topics of conversation should be both the talking points to deliver for the conversation with Senator Booker and our longer-term strategy/how the MT/ID situation fits in.

Hi folks,

I'd like to reconvene as much as possible of this group + Rachael, Chuck, and Morgan this week to follow up on the discussion from Dec. The SH virtual meeting on this topic with Sen. Booker hasn't been set but looks like it could be as early as Monday 1/10. Shannon you convened this last time - I'm going to tap Rebecca w OCL to work with Audrey to make the scheduling logistics happen for this week. Thank you all 🙏

Holding this time each week to coordinate on land & water conservation, climate, and jobs actions outlined in the early EOs. We likely won't need the full hour each week but blocking the time in case. Hoping to keep the group relatively small: 1-3 key people per agency/office.

Thanks,
Matt

Holding this time each week to coordinate on land & water conservation, climate, and jobs actions outlined in the early EOs. We likely won't need the full hour each week but blocking the time in case. Hoping to keep the group relatively small: 1-3 key people per agency/office.

Thanks,
Matt

Holding this time each week to coordinate on land & water conservation, climate, and jobs actions outlined in the early EOs. We likely won't need the full hour each week but blocking the time in case. Hoping to keep the group relatively small: 1-3 key people per agency/office.

Thanks,
Matt
