L202	BLM	Medford and NW Districts	Oregon Bridge Rehabilitation	This project will perform replacement and structural repairs to five bridges on main haul roads in Oregon. Repair and replacement of these bridges will provide safe access for legal loads and the traveling public accessing public lands.	OR	OR02,OR05	2022	\$ 7,999
L203	BLM	South Eastern District	Jupiter Inlet Lighthouse Building and Site Repair	This project provides repairs and improvements to existing facilities for visitors and staff at the Jupiter Inlet Outstanding Natural Area. This unique site serves more than 100,000 visitors a year, providing a variety of recreational and educational opportunities. The project includes the construction of critical shoreline stabilization features to end shoreline erosion, as well as the demolition of unnecessary buildings and infrastructure. Performing this work will increase visitation and sustain visitor safety and enjoyment.	FL	FL18	2022	\$ 6,140
L204	BLM	High Desert District/High Plains District	Wyoming BLM Dam Safety Repairs and Maintenance Projects	This project repairs three high hazard dams and associated features in Wyoming. The repair of dam spillways, gates, and outlet structures will improve the safe operation of the dams. Additional embankment maintenance and installation of protective riprap will stabilize the dams and prevent seepage and erosion.	WY	WYAL	2022	\$ 2,795
L205	BLM	Colorado River District	La Posa Wastewater Septic/Lagoon Replacement (Phase 3 of 3) and Site Road Repairs	The project will repair deferred maintenance issues at the La Posa Long Term Visitor Areas (North, South and West). The three recreation areas were established in 1983 to address the ever-increasing demand for wintertime RV camping opportunities in the southwest. The project will replace an aging and undersized septic leach field with a waste water lagoon to prevent groundwater pollution and provide a sustainable solution for increasing visitor waste into the future. Additional work includes repaving 6 miles of asphalt surfaced roads and reconditioning 6.5 miles of natural surface roads to provide the visiting public safe access to nearby recreational activities.	AZ	AZ04	2022	\$ 5,140
L206	BLM	Boise District, Coeur d'Alene District, Idaho Falls District, Twin Falls District	Idaho Statewide Recreation Site Repairs	The project will repair outstanding deferred maintenance issues at several high use recreation sites throughout the state of Idaho. This project will repair recreation site buildings, parking lots, roads, water systems, boat ramps and docks, all of which benefit the public who hike, bike, fish, raft and enjoy the state's most beautiful and enjoyable public lands.	ID	ID01,ID02	2022	\$ 4,824
L207	BLM	Eastern Montana Dakotas District, North Central District, Western Montana District	Montana/Dakotas Recreation, Roads, and Dam Repairs	The project will repair outstanding deferred maintenance items at numerous high use recreation sites, hazard classified dams, and roads which provide access to public lands within the states of Montana and South Dakota. Repairs include roof and bridge replacements, dam embankment repairs, and road regrading and drainage improvements that will provide long-term solutions to numerous recreation assets, dams and roads that the public will continue to enjoy into the future. N043	NPS	Yellowstone National Park	Lewis River Bridge	This project will rehabilitate or completely replace the deck structure and other portions of the Lewis River Bridge.	WY	WYAL	2021	\$ 37,225
N045	NPS	Yosemite National Park	Rehabilitate the Bridalveil Creek Campground Water Distribution System for Park Visitors	This project will replace the existing water distribution system and storage tank at Bridalveil Creek Campground that has exceeded its useful life.	CA	CA04	2021	\$ 3,708
N046	NPS	Yosemite National Park	Rehabilitate the Tuolumne Meadows Campground to Enhance the Visitor Experience	This project will rehabilitate the Tuolumne campground including drive-in campsites, horse camp, backpacker's camp and a group camp. It will rehab the campground roads, replace an aged water distribution system and complete replacement of the sewer collection system, make accessibility improvements, and enhance the amenities at each campsite including a hardened parking pad, new picnic tables, fire rings, and food storage containers for bear protection.	CA	CA04	2021	\$ 26,178
N047	NPS	Yosemite National Park	Rehabilitate the Crane Flat Campground to Enhance the Visitor Experience	This project will rehabilitate drainage problems at the Crane Flat Campground by installing culverts that were omitted from the original design and repair roadside ditches caused by sever erosion and surface water flow.	CA	CA04	2021	\$ 9,800
N048	NPS	Yosemite National Park	Glacier Pt. Rd Rehabilitation	This project will rehabilitate aging and deteriorated pavement, failed drainage structures, failed pullouts and parking areas on Glacier Point Road, between Badger Pass and Glacier Point	CA	CA19	2021	\$ 40,521
N049	NPS	Glacier National Park	Rehabilitate Final 9.3 miles of the Going-to-the-Sun Road & Replace Bridge Over McDonald Creek	This project will accomplish two major rehabilitations. The first is the reconstruction of 9.3 miles of the Going-to-the-Sun Road from the foot of Lake McDonald to the intersection with the North Lake McDonald Road. This project will include curve widening, super-elevation on the horizontal alignment for transition zones, and addressing limited distances between curves. The second is to replace the bridge over Upper McDonald Creek that services landowner residences and a ranger station. This project will demolish the existing bridge and replace it with a 270-foot long clear span, highway rated bridge.	MT	MTAL	2021	\$ 17,147
N050	NPS	Glacier Bay National Park & Preserve	Replace Concessioner Housing Units	This project will address deferred maintenance, safety, and accessibility issues in the Glacier Bay Lodge concessions housing. It will allow the Lodge rooms to be returned to public-use and increase the economic viability of the Lodge.	AK	AKAL	2021	\$ 19,268
N051	NPS	Theodore Roosevelt National Park	South Unit Scenic Loop Slide Repair	This project includes the design, compliance, and repair of South Unit Scenic Road (Route 11) in Theodore Roosevelt National Park. This project will evaluate and address multiple major roadway failure points, drainage systems, road base rebuild, and asphalt resurfacing along this corridor.	ND	NDAL	2021	\$ 38,325
N052	NPS	Acadia National Park	Replace Maintenance Facilities at McFarland Hill Headquarters	Construct new maintenance facility and demolish existing facilities that are substantially undersized for their current use and do not comply with current code requirements.	ME	ME02	2021	\$ 26,872

N054	NPS	Colonial National Historical Park	Stabilize York River Shoreline	This project will repair and stabilize 5.3 miles of damaged York River shoreline in order to protect the Colonial Parkway from pavement failure and loss of archeological sites.	VA	VA02	2021	\$ 9,965
N055	NPS	Grand Canyon National Park	Replace Wastewater Plant at South Rim Village	Replace the South Rim Wastewater Treatment Plant with a new plant that services all visitor, resident staff housing, lodging, and support facilities at the Village South Rim of the Grand Canyon.	AZ	AZ01	2022	\$ 40,456
N056	NPS	Acadia National Park	Rehabilitate Schoodic Point Water and Wastewater Systems	Rehabilitate the potable water and the wastewater systems in Acadia's Schoodic district.	ME	ME02	2022	\$ 7,624
N059	NPS	Yellowstone National Park	Replace Mammoth Wastewater Collection System	Repair the Mammoth to Gardiner Sewer main.	WY	WYAL	2022	\$ 9,327
N061	NPS	Lake Mead National Recreation Area	Demolish Outdated Infrastructure to Enhance Scenic Features and Visitor Experience	Restore the park's scenic features by removing unneeded, abandoned, and potentially dangerous structures and supporting infrastructure. The site will be regraded to its natural contours and revegetated with native plants, enhancing the visitor experience.	NV	NV04, NV03	2022	\$ 21,963
N062	NPS	Blue Ridge Parkway	Rehabilitate Sections of Blue Ridge Parkway in Virginia	Rehabilitate mainline roadways, whose associated driving experience is the park's primary reason for designation.	VA	VA06, VA05	2022	\$ 32,834
N063	NPS	Great Smoky Mountains National Park	Rehabilitate Park Roads and Road Structures	Perform pavement maintenance and surface treatments at Heintooga Ridge Road, Balsam Mt. Campground, Lakeview Drive East, Lake View Road East, and Newfound Gap Road. Noland Creek Bridge will receive extensive repairs to the bridge deck, abutments, expansion joints, and wing walls.	NC, TN	NC11, TN01	2022	\$ 25,410
N064	NPS	Natchez Trace Parkway	Rehabilitate Sections of the Natchez Trace Parkway, Phase 1	Perform pavement maintenance, repairs, and replacement, and surface treatments at existing bridges. Audible traffic markers and a pavement safety edge will be installed to reduce the number of accidents currently taking place on the parkway. Culvert and bridge repairs or replacements will be completed within the project limits.	MS	MS01, MS02	2022	\$ 61,246
N065	NPS	Crater Lake National Park	Rehabilitate Sections of the East Rim Drive	Rehabilitate a portion of the East Rim Drive pavement. Guardwall repair will be completed on several historic rock walls that have been damaged. Parking lots will be designed and constructed with appropriate accessibility compliant slopes, markings, and curb cuts.	OR	OR02	2022	\$ 45,200
N066	NPS	Gateway National Recreation Area	Rehabilitate Floyd Bennett Field Wastewater Collection System at Jamaica Bay	Rehabilitate the sanitary sewer system at the Jamaica Bay unit of Gateway National Recreation Area. The scope of the project includes extensive piping repairs and replacements along with lift station improvements and connection to the Rockaway municipal system.	NY	NY08	2022	\$ 7,673
N067	NPS	Blue Ridge Parkway	Rehabilitate sections of Blue Ridge Parkway in North Carolina	Rehabilitate the mainline parkway and associated overlooks and parking areas within North Carolina. Work will also include slope stabilization repairs at a number of locations. Completing this work will ensure visitor safety and improve these sections of the parkway.	NC	NC10, NC11	2022	\$ 26,789
N068	NPS	Golden Gate National Recreation Area	Stabilize Alcatraz Wharf	Repair the concrete wharf, a contributing feature of the Alcatraz Island National Historic Landmark District. The project will repair existing concrete piles, beams, and slabs, and will make seismic improvements to the structure.	CA	CA12	2022	\$ 36,577
N072	NPS	Minute Man National Historic Park	Rehabilitate and Repair Structures and Landscapes	Preserve and repair witness structures, landscapes, and trails. Where possible, rehabilitate historic structures for leasing.	MA	MA03, MA05	2022	\$ 27,352
N073	NPS	Chesapeake and Ohio Canal National Historical Park	Restore Canal Prism and Historic Dry Stone Wall	Restore the canal prism and historic dry stone stacked wall within a section of the canal.	MD	MD08	2022	\$ 7,125
