In compliance with the National Environmental Policy Act (NEPA), BIA has determined that the purchase of the fractionated interests under this deed is categorically excluded from 516 DM 10.5.I. BIA has evaluated the purchase to determine whether it meets any of the extraordinary circumstances in 43 C.F.R. § 46.215, and has determined that any extraordinary circumstances would not be affected because the land use of the purchased interests would not change. Any future change in land use that requires a major federal action would require further NEPA review.
