

Password Email

You will receive an automated email with a temporary password to the Federal Subsistence Management System. The message will include a link to the system.

Your user account is provided by OSM.

At the Main Menu:

Change your temporary password—that ability will cease after 24 hours have elapsed.

Select “**Update Account**”. This is where you can update your basic contact information. Better still, it is here that you can answer secret questions so if you lose your password you will be able to re-set it yourself.

Any questions please contact me...Derek Hildreth, 907 786-3877.
