

## The Interagency Arctic Research Policy Committee is asking for comments on a draft of the 2022-2026 Arctic Research Plan

The goal of the plan is to improve the collective impacts of federal agencies in Arctic research

Comments will be accepted between **mid-February and early June**

Learn more about the draft plan and how to comment at upcoming webinars (times and dates to be announced) & at **[tinyurl.com/arcticplan](https://tinyurl.com/arcticplan)**
