- Murkowski amendment to establish a deficit-neutral reserve fund relating to the funding of certain tribal courts by the Bureau of Indian Affairs. (#740)
- Thune amendment to establish a deficit-neutral reserve fund to allow for legislation to provide for long-term budget analyses. (#741)
- Thune amendment to establish a deficit-neutral reserve fund relating to reforming the unemployment insurance program in a manner that incentivizes work and worker training for the long-term unemployed, helps the long-term unemployed reenter the workforce, recognizes the demands on State budgets, and does not increase financial burdens on employers. (#742)
- Thune amendment to reduce funding for the General Services Administration by \$1,000,000 until 50 percent of counties in nonattainment for the 1997 National Ambient Air Quality Standards (NAAQS) for ground-level ozone as of January 30, 2015, achieve the air quality standard set forth in the 1997 NAAQS, and direct those funds to the Administrator of the Environmental Protection Agency for the purpose of helping municipalities reach attainment with the 2008 NAAQS for ground-level ozone, acknowledging that (1) given limited State and Federal resources and the delay of the Administrator in issuing to States implementation guidance for the 2008 ground-level ozone NAAQS, priority should be given to achieving the 2008 standard, (2) the Administrator has not sufficiently implemented that standard, (3) focusing by the Administrator on the most polluted areas that are in nonattainment with that standard would benefit public health, and (4) promulgating a lower standard at this time would impose undue costs on the economy and workforce of the United States. (#743)
- Daines amendment to establish a deficit-neutral reserve fund relating to ensuring transparency of costs of completing analyses required under the National Environmental Policy Act of 1969. (#744)
- Lee amendment to establish a spending-neutral reserve fund relating to allowing oil shale development on Federal land. (#745)
- Lee amendment to establish a spending-neutral reserve fund relating to establishing reasonable deadlines for processes under the National Environmental Policy Act of 1969. (#746)
- Lee amendment to establish a spending-neutral reserve fund relating to selling nonessential Federal land with proceeds going to Federal deficit reduction. (#747)
- Lee amendment to create a point of order against legislation that would further restrict the right of law-abiding Americans to own a firearm. (#748)
- Lee amendment to ensure that the reserve fund relating to affordable healthcare choices for all is

used to repeal and not further empower the Patient Protection and Affordable Care Act. (#749)

- Lee amendment to modify the spending-neutral reserve fund reauthorizing funding for payments to counties and other units of local government to ensure payment at levels roughly equivalent to property tax revenues lost due to the presence of Federal land. (#750)
- Lee amendment to establish a spending-neutral reserve fund to support legislation maintaining United States oversight over functions of the Internet Corporation for Assigned Names and Numbers and preventing the United States from transferring such Internet responsibilities. (#751)
- Lee amendment to establish a spending-neutral reserve fund relating to encouraging the United States' NATO allies to reverse declines in defense spending and bear a more proportionate burden for ensuring the security of NATO. (#752)
- Lee amendment to establish a spending-neutral reserve fund relating to sufficient number of uniformed maintenance personnel in the Air Force for the F-35A aircraft program to reach initial operational capacity and full operational capacity on schedule. (#753)
- Lee amendment to establish a spending-neutral reserve fund relating to supporting legislation allowing a repeal of the Davis-Bacon Act. (#754)
- *Stabenow amendment to establish a deficit-neutral reserve fund relating to keeping the Federal Water Pollution Control Act focused on protection of water quality, to establish bright lines for Federal jurisdiction, and to create clear and unambiguous exemptions for features that the Administrator of the Environmental Protection Agency or the Secretary of the Army, acting through the Chief of Engineers, claim they are not seeking to regulate. (#755)*
- Stabenow amendment to establish a deficit-neutral reserve fund relating to prohibiting the purchase of stationary or electronic devices for the purpose of members of Congress or congressional staff communicating with foreign governments and undermining the role of the President as Head of State in international nuclear negotiations on behalf of the United States. (#756)
- Inhofe amendment to establish a spending-neutral reserve fund relating to grant programs of the Environmental Protection Agency that may include prohibitions on awards to any entity that has an action pending against the Agency. (#757)
- Lee amendment to establish a spending-neutral reserve fund to support legislation allowing private sector employers to offer compensatory time in lieu of overtime pay to employees who prefer flexible work schedules to better balance family, work, and personal responsibilities. (#758)
- Lee amendment to establish a spending-neutral reserve fund relating to clarifying Federal jurisdiction with respect to intrastate species. (#759)
- Fischer amendment to establish a deficit-neutral reserve fund relating to requiring an independent reliability assessment of the Clean Power Plan of the Environmental Protection Agency. (#760)
- Graham amendment to establish a deficit-neutral reserve fund relating to means-testing Medicare part B and part D premiums for Medicare beneficiaries with an annual income that exceeds \$250,000. (#761)

- Graham amendment to establish a deficit-neutral reserve fund relating to the restoration of purchasing power of the National Institutes of Health. (#762)
- Graham amendment to establish a deficit-neutral reserve fund relating to subjecting all Federal spending to sequestration. (#763)
- Graham amendment to establish a deficit-neutral reserve fund relating to preparing ports of the United States for post-Panamax ships. (#764)
- Graham amendment to establish a deficit-neutral reserve fund relating to meeting the obligations outlined in the Plutonium Management and Disposition Agreement. (#765)
- Graham amendment to establish a deficit-neutral reserve fund relating to subjecting the salaries of Members of Congress to sequestration. (#766)
- Murkowski amendment to establish a spending-neutral reserve fund relating to the National Guard Youth Challenge Program. (#767)
- Murkowski amendment to establish a deficit-neutral reserve fund relating to reducing Transportation Security Administration passenger fees to \$2.50 per enplanement and not more than \$5.00 per round trip between points in Alaska and Hawaii and on flights from essential air service airports.
