Good afternoon Leila,

The Domestic Energy Producers Alliance would be honored to schedule the Secretary for a video conference during our Board of Director's Meeting on Monday, January 8th from 3-3:30pm CT. It would be great if he would be able to do a small introduction and give a short legislative update on regulatory reform and then be available to answer a few questions. We understand he has a full schedule that day and will respect our allotted time with him. Please call or e-mail with any questions.

Thank you so much for your help,
Sarah
