Hi Chris,
I've cc'ed Gisella Ojeda-Dodds on this email; she is our staffer Dan Jorjani's assistant. She will help coordinate a time for you to meet with Dan regarding the Historic Tours of America case.

Best,
Caroline

Hi Chris,
You can certainly send me a one page brief to give to the Secretary. I can see if someone else from the office would be available to meet with you.

Would you be able to email me the topics you wished to cover again so that I can relay that to other staffers? I know we had discussed the case over the phone, but any specifics you wish to cover would help find the appropriate staffer.

Thank you for trying. I was just with Representative Curbelo and he said he would reach out to him as well.

Barring a miracle, if I send you a one page brief on the issue do you think he would read it? Our court date is April 7 so I am out of time.

Hi Chris,
I apologize that it doesn't look like we'll be able to make a meeting with the Secretary work this week. Please do reach out next time you're in DC, and we'll work to get you on the calendar!
