**Supervisory IT Specialist  
(Customer Support)  
GS-2210-13**

## **INTRODUCTION**

The Department of the Interior (Department) manages 451 million acres of the nation's public lands (about one-sixth of the land in the U.S.) and more than 2,500 operating sites, all requiring protection of information and Information Technology (IT) assets. This is a standardized position description for positions located in the Office of the Chief Information Officer (OCIO) and the various Bureaus and Bureau Offices (Bureau/Office) of the Department.

The purpose of this position is to supervise the accomplishment of difficult and complex customer support assignments, including recommendations to resolve issues by adapting existing approaches and methods, interpreting guidelines and adapting to new or emerging requirements. This position is at the full performance level.

This position is part of a National Institute of Standards and Technology (NIST) National Initiative for Cybersecurity Education (NICE) National Cybersecurity Workforce Framework (Framework). The incumbent performs Cybersecurity roles and responsibilities outlined in the NICE Framework. The NICE Framework provides Work Role Descriptions associated with assigned Work Roles and Cybersecurity Codes.
