**2017 Yukon River Summer Salmon Fishery News Release # 24
Districts 1 and 2 Commercial and Subsistence Fishing Schedule**
Districts Affected: Lower Yukon Area

Inseason assessment indicates that nearly 2 million summer chum have entered the Yukon River. In order to harvest summer chum salmon from this strong run while still protecting Chinook salmon, two commercial openings with 5.5-inch or smaller mesh are being announced in District 1 and three openings with selective gear are being announced in District 2. Commercial fishermen should confirm their market before they fish and stand by for the announcement of additional periods.

Subsistence fishing in Districts 1 and 2 will be open 24 hours a day, seven days a week except closed 2 hours before, during, and 2 hours after commercial periods. Commercial and subsistence fishing schedules are available 24 hours a day at **(866) 479-7387**.

Commercial

District 1 (including Black River) Commercial:

Commercial fishing with 5.5-inch or smaller mesh gillnets not exceeding 30 meshes in depth will open for two 6-hour periods:

- **4 p.m. until 10 p.m. Tuesday, June 27**
- **5 p.m. until 11 p.m. Thursday, June 29**

Any Chinook salmon caught in gillnet gear during the commercial gillnet openings may be kept for subsistence use and must be recorded on a fish ticket as "kept but not sold". Chinook salmon kept for subsistence use during the commercial gillnet openings must be marked by removing both tips of the tail fin before concealing the Chinook salmon from plain view or before transferring the salmon from the fishing site.

District 2 Commercial:

Commercial fishing with dip nets and beach seines only will open for three 8-hour periods to target summer chum salmon:

- **From 7 p.m. Monday, June 26 until 3 a.m. Tuesday, June 27**
- **From 7 p.m. Wednesday, June 28 until 3 a.m. Thursday, June 29**
- **From 7 p.m. Friday, June 30 until 3 a.m. Saturday, July 1**

All Chinook salmon must be released alive from commercial dip nets and beach seines and recorded on a fish ticket.
