### § 950.102 Scope of the Combined Federal Campaign.

(a) The CFC is the only authorized solicitation of employees in the Federal workplace on behalf of charitable organizations. A campaign may be conducted during a period, as determined by the LFCC, from September 1 through December 15 at every Federal agency in the campaign community in accordance with these regulations. Except as provided in this section, no other solicitation on behalf of charitable organizations may be conducted in the Federal workplace. Upon written request, the Director may grant permission for solicitations of Federal employees, outside the CFC, in support of victims in cases of emergencies and disasters. Emergencies and disasters are defined as any hurricane, tornado storm, flood, high water, wind-driven water, tidal wave, tsunami, earthquake, volcanic eruption, landslide, mudslide, snowstorm, drought, fire, explosion, or other catastrophe in any part of the world. No such permissions will be granted for such solicitations during the period September 1 through December 15, except at the discretion of the Director upon a showing of extraordinary circumstances.

(b) These regulations do not apply to the collection of gifts-in-kind, such as food, clothing and toys, or to the solicitation of Federal employees outside of the Federal workplace as defined by the applicable Agency Head consistent with General Services Administration regulations and any other applicable laws or regulations.

(c) The Director exercises general supervision over all operations of the

CFC, and takes all necessary steps to ensure the achievement of campaign objectives. Any disputes relating to the interpretation or implementation of this part may be submitted to the Director for resolution. The decisions of the Director are final for administrative purposes. OPM has the authority to audit, investigate, and report on the administration of any campaign, the organization that administers the campaign, and any national, international and local federation, federation member or independent organization that participates in the campaign for compliance with these regulations. The Director resolves any issues reported and determines sanctions or penalties, as warranted under § 950.603.

(d) Heads of departments or agencies may establish policies and procedures applicable to solicitations conducted by organizations composed of civilian employees or members of the uniformed services among their own members for organizational support or for the benefit of welfare funds for their members. Such solicitations are not subject to these regulations, and therefore do not require permission of the Director.

[60 FR 57890, Nov. 24, 1995, as amended at 63 FR 65637, Nov. 30, 1998; 71 FR 67283, Nov. 20, 2006]

### § 950.103 Establishing a local campaign.

(a) The Director establishes and maintains the official list of local campaigns and the geographical area each covers. There is no prerequisite regarding the Federal employee population needed to establish or maintain a CFC. However, rather than establishing or maintaining small campaigns, OPM encourages mergers and expansions of campaigns to promote efficiency and economy.

(b) The Director establishes an LFCC to govern the conduct of the local CFC. The LFCC will, whenever possible, be comprised of members of local Federal inter-agency organizations, such as Federal Executive Boards, Federal Executive Associations, Federal Business Associations or, in the absence of such organizations, self-organized associations of local Federal officials. These groups will include local Federal agen-

cy heads or their representatives. It may also include representatives of employee unions and other employee groups. Rotation of the LFCC Chair position among the LFCC members is encouraged. For continuity, each LFCC should appoint a Vice Chair who would be expected to serve at the conclusion of the Chair's term.

(c) The agency head at each Federal installation within a campaign area shall:

(1) Become familiar with all CFC regulations,

(2) Cooperate with the representatives of the LFCC and PCFO in organizing and conducting the campaign,

(3) Initiate official campaigns within their offices or installations and provide support for the campaign, and

(4) Assure the campaign is conducted in accordance with these regulations.

(d) Once a campaign has been established, agency heads may not discontinue solicitation of Federal employees within their organization without the written approval of the Director.

(e) Any change in the geographical boundaries of local campaigns may be made only upon the express written permission of the Director.

(f) Each year the LFCC must establish the time period during which CFC solicitation may take place. The solicitation may not begin before September 1 and in no event will it extend beyond December 15 of each year.

(g) Current Federal civilian and active duty military employees may be solicited for contributions using payroll deduction, checks, money orders, or cash, or by electronic means, including credit cards, as approved by the Director. Contractor personnel, credit union employees and other persons present on Federal premises, as well as retired Federal employees, may make single contributions to the CFC through checks, money orders, or cash, or by electronic means, including credit cards, as approved by the Director. These non-Federal personnel may not be solicited, but donations offered by such persons must be accepted by the local campaigns.

(h) A Federal employee whose official duty station is outside the geographic boundaries of an established CFC may

not be solicited in that CFC. A Federal employee may participate in a particular CFC only if that employee's official duty station is located within the geographic boundaries of that CFC. This restriction may be discontinued upon implementation of appropriate electronic technology that allows removal of the need for geographic restrictions on giving as determined by the Director. Upon a showing of extraordinary circumstances, as determined in the sole discretion of the Director, Federal employees may contribute in support of victims in cases of emergencies and disasters defined in § 950.102(a) outside the geographic boundaries of their participating CFC. Such contributions can be check, money order, or cash or by electronic means, including credit cards, as approved by the Director, but shall not be made through payroll deduction.

[60 FR 57890, Nov. 24, 1995, as amended at 71 FR 67284, Nov. 20, 2006]

**§ 950.104 Local Federal Coordinating Committee responsibilities.**

(a) All members of the LFCC should develop an understanding of campaign regulations and procedures. The LFCC is the central point of information regarding the CFC among Federal employees.

(b) The responsibilities of the LFCC include, but are not limited to, the following:

(1) Maintaining minutes of LFCC meetings and responding promptly to any request for information from the Director.

(2) Naming a campaign chairperson and notifying the Director when the chairperson changes.

(3) Determining the eligibility of local organizations that apply to participate in the local campaign. This is the exclusive responsibility of the LFCC and may not be delegated to the PCFO.

(4) Ensuring that the list of charities determined by the Director to be nationally eligible to participate in all local campaigns is reproduced in the Charity List in accordance with OPM instructions.

(5) Ensuring that the Charity List and pledge form are produced in ac-

cordance with these regulations and instructions from the Director.

(6) Encouraging local Federal agencies to appoint loaned executives to assist in the campaign. CFC loaned executives' time should be charged to regular working hours. It is not appropriate to place a CFC loaned executive on administrative leave, leave without pay, or annual leave. Federal loaned executives are prohibited from working on non-CFC fundraising activities during duty hours.

(7) Establishing a network of employee keyworkers and volunteers and participating in interagency briefing sessions and kick-off meetings.

(8) Ensuring that, to the extent reasonably possible, every employee is given the opportunity to participate in the CFC, and ensuring employee designations are honored.

(9) Ensuring that the PCFO includes in keyworker training instructions to encourage employees to designate the charitable organizations they wish to receive their donations and specific information on how general designation monies are distributed.

(10) Ensuring that contributions are distributed in accordance with the method described in these regulations.

(11) Ensuring that no employee is coerced in any way to participate in the campaign.

(12) Bringing allegations of coercion to the attention of the Director and the employee's agency and providing a mechanism to review employee complaints of undue pressure and coercion in Federal fundraising. Federal agencies shall provide procedures and assign responsibility for the investigation of such complaints. Personnel offices shall be responsible for informing employees of the proper channels for pursuing such complaints.

(13) Notifying the Director of any significant problems or controversies concerning the campaign that the LFCC cannot resolve by applying these regulations. The LFCC must abide by the Director's decisions on all matters concerning the campaign.

(14) Ensuring the PCFO does not use the services of consulting firms, advertising firms or similar business organizations to perform the policy-making or decisionmaking functions in the

CFC. A PCFO may, however, contract with entities or individuals such as banks, accountants, lawyers, and other vendors of goods and/or services to assist in accomplishing its administrative tasks.

(15) Ensuring that the activities and functions required of the PCFO are kept separate from any non-CFC operations of the organization. The LFCC must verify that the PCFO keeps and maintains CFC financial records and interest bearing bank accounts separate from the PCFO's non-CFC financial records and bank accounts.

(16) Monitoring the work of the PCFO, and inspecting closely the annual audit required of the PCFO pursuant to §950.105(d)(9) for compliance with these regulations.

(17) Authorizing to the PCFO reimbursement of only those campaign expenses that are legitimate CFC costs and are adequately documented. Total reimbursable expenses may not exceed the approved campaign budget by more than 10 percent.

(18) Determining whether each local federation, federation member, and unaffiliated organization that applies to participate in the local campaign has completed the sanctions compliance certification required pursuant to §950.605. The LFCC must deny participation to any federation or organization that has not completed the sanctions compliance certification.

(c) The LFCC must select a PCFO to act as its fiscal agent and campaign coordinator on the basis of presentations made to the LFCC as described in §950.105(c). The LFCC may, in its discretion, select a PCFO to serve in that role for up to three campaign periods, subject to renewal each year following a review of performance as defined in §950.105. The LFCC must consider the capacity of the organization to manage an efficient and effective campaign, its history of public accountability, use of funds, truthfulness and accuracy in solicitations, and sound governance and fiscal management practices as the primary factors in selecting a PCFO. The LFCC must solicit applications on a competitive basis for the PCFO no later than a date to be determined by OPM and, if the LFCC exercises discretion to enter into a multi-year ar-

range, upon completion of the multi-year term. The LFCC shall solicit applications via outreach activities including: Public notice in newspapers, postings on Web sites, advertising in trade journals, dissemination among participating CFC organizations and federations, and/or outreach through local or state nonprofit associations and training centers, among others. The PCFO application period must be open a minimum of 21 calendar days. Costs incurred for soliciting applications must be added to the PCFO budget as an administrative cost.

[60 FR 57890, Nov. 24, 1995, as amended at 70 FR 67341, Nov. 7, 2005; 71 FR 67284, Nov. 20, 2006]

**§950.105 Principal Combined Fund Organization (PCFO) responsibilities.**

(a) Only federations, charitable organizations or combinations thereof may serve as the PCFO.

(b) the primary goal of the PCFO is to conduct an effective and efficient campaign in a fair and even-handed manner aimed at collecting the greatest amount of charitable contributions possible. Therefore, PCFO's should afford federated groups and agencies with representatives in the local campaign area adequate opportunity to offer suggestions relating to the operation of the campaign, developed campaign material, and training. If requested in writing to either the LFCC or PCFO, federated groups and agencies must be given the opportunity to attend all campaign meetings, kick-off events, and training sessions. The PCFO must provide representatives of federated groups, agencies and the general public the opportunity to review at the PCFO office all reports, budgets, audits, training information, and other records pertaining to the CFC.

(c) Any federation, charitable organization or combinations thereof wishing to be selected for the PCFO must submit a timely application in accordance with the deadline set by the LFCC, that includes:

(1) A written campaign plan sufficient in detail to allow the LFCC to determine if the applicant could administer an efficient and effective CFC. The campaign plan must include a CFC

**§ 950.105**

**5 CFR Ch. I (1–1–12 Edition)**

budget that details all estimated costs required to operate the CFC. The budget may not be based on the percentage of funds raised in the local campaign.

(2) A statement signed by the applicant's local director or equivalent pledging to:

(i) administer the CFC fairly and equitably,

(ii) conduct campaign operations, such as training, kick-off and other events, and fiscal operations, such as banking, auditing, reporting and distribution separate from the applicant's non-CFC operations, and

(iii) abide by the directions, decisions, and supervision of the LFCC and/or Director.

(3) A statement signed by the applicant's local director or equivalent acknowledging the applicant is subject to the provision of § 950.603.

(d) The specific responsibilities of the PCFO include but are not limited to:

(1) Honoring employee designations.

(2) Helping to ensure no employee is coerced in any way regarding participation in the campaign and that allegations of coercion are brought to the attention of the appropriate Federal officials.

(3) Training agency loaned executives, coordinators, and keyworkers in the methods of non-coercive solicitation. This training must be completely separate from training given for other types of charitable campaign drives. Additionally, keyworkers should be trained to check to ensure the pledge form is legible on each copy, verify arithmetical calculations, and ensure the block on the pledge form concerning the release of the employee's name and contact information is completed fully.

(4) Ensuring that no employee is questioned in any way as to his or her designation or its amount except by keyworkers, loaned executives, or other non-supervisory Federal personnel.

(5) Preparing pledge forms and Charity Lists that are consistent with these regulations and instructions by the Director.

(6) Honoring the request of employees who indicate on the pledge form that their names, contact information and contribution amounts not be released

to the organization(s) that they designate.

(7) Maintaining a detailed schedule of its actual CFC administrative expenses with, to the extent possible, itemized receipts for the expenses. The expense schedule must be in a format that can be reconciled to the PCFO's budget submitted in accordance with paragraph (c)(1) of this section.

(8) Keeping and maintaining CFC financial records and interest-bearing bank accounts separate from the PCFO's internal organizational financial records and bank accounts. Interest earned on all CFC accounts must be distributed in the same manner as undesignated funds pursuant to § 950.501. All financial records and bank accounts must be kept in accordance with generally accepted accounting principles.

(9) Submitting to the LFCC an audit of collections and disbursements for each campaign managed no later than a date to be determined by OPM in the year in which the last disbursement is made. The date will be part of the annual timetable issued by the Director under § 950.801(b). The audit must be performed by an independent certified public accountant in accordance with generally accepted auditing standards and OPM guidance.

(10) Absorbing the cost of any reproduction and/or reissuing of campaign information due to its noncompliance with these regulations, embezzlement, or loss of funds. A PCFO must also absorb campaign costs exceeding 110 percent of the approved budget.

(11) Designing and implementing CFC awards programs which are accessible to all employees and which reflect the Government's commitment to non-coercion. Awards to Federal agencies or employees by individual federations or organizations for CFC accomplishments is prohibited.

(12) Producing any documents or information requested by the LFCC and/or the Director within 10 calendar days of the receipt of that request.

(13) Responding in a timely and appropriate manner to reasonable inquiries from participating organizations.

[60 FR 57890, Nov. 24, 1995, as amended at 71 FR 67284, Nov. 20, 2006; 73 FR 8588, Feb. 14, 2008]

**§ 950.106 PCFO expense recovery.**

(a) The PCFO shall recover from the gross receipts of the campaign its expenses, approved by the LFCC, reflecting the actual costs of administering the local campaign. The amount recovered for campaign expenses shall not exceed 110 percent of the estimated budget submitted pursuant to § 950.105(c)(1) unless approved by the Director.

(b) The PCFO may only recover campaign expenses from receipts collected for that campaign year. Expenses incurred preparing for and conducting the CFC cannot be recovered from receipts collected in the previous year's campaign. The PCFO may absorb the costs associated with conducting the campaign from its own funds and be reimbursed, or obtain a commercial loan to pay for costs associated with conducting the campaign. If the commercial loan option is used, the amount of a reasonable rate of interest is an allowable campaign expense, subject to the approval of the LFCC when the PCFO budget is submitted.

(c) The campaign expenses will be shared proportionately by all the recipient organizations reflecting their percentage share of gross campaign receipts.

[60 FR 57890, Nov. 24, 1995, as amended at 71 FR 67284, Nov. 20, 2006]

**§ 950.107 Lack of a qualified PCFO.**

There is no authority in statute or regulation for an LFCC or any Federal official or employee to assume the duties and responsibilities of the PCFO. In the event that there is no qualified PCFO, the LFCC Chairman will promptly inform the Director in writing. The Director will assist the LFCC in merging the campaign with an adjacent campaign that has a qualified PCFO or identifying an eligible organization to function as the campaign's PCFO. If the LFCC's of the adjacent campaigns elect not to merge and a qualified PCFO cannot be found, the local CFC will be canceled. No workplace solicitation of any Federal employee in the campaign area is authorized and payroll allotments cannot be accepted and honored during the duration of the cancellation of the CFC.

**§ 950.108 Preventing coercive activity.**

True voluntary giving is fundamental to Federal fundraising activities. Actions that do not allow free choices or create the appearance employees do not have a free choice to give or not to give, or to publicize their gifts or to keep them confidential, are contrary to Federal fundraising policy. Activities contrary to the non-coercive intent of Federal fundraising policy are not permitted in campaigns. They include, but are not limited to:

(a) Solicitation of employees by their supervisor or by any individual in their supervisory chain of command. This does not prohibit the head of an agency to perform the usual activities associated with the campaign kick-off and to demonstrate his or her support of the CFC in employee newsletters or other routine communications with the Federal employees.

(b) Supervisory inquiries about whether an employee chose to participate or not to participate or the amount of an employee's donation. Supervisors may be given nothing more than summary information about the major units that they supervise.

(c) Setting of 100 percent participation goals.

(d) Establishing personal dollar goals and quotas.

(e) Developing and using lists of non-contributors.

(f) Providing and using contributor lists for purposes other than the routine collection and forwarding of contributions and allotments, and as allowed under § 950.601.

(g) Using as a factor in a supervisor's performance appraisal the results of the solicitation in the supervisor's unit or organization.

**§ 950.109 Avoidance of conflict of interest.**

Any Federal employee who serves on the LFCC, on the eligibility committee, or as a Federal agency fundraising program coordinator, must not serve in any official capacity in any organization that serves as the PCFO of the local CFC, or participate in any decisions where, because of membership on the board or other affiliation with a charitable organization, there could be or appear to be a conflict of interest

under any statute, regulation, Executive order, or applicable agency standards of conduct. Under no circumstances may an LFCC member affiliated with an organization applying for inclusion on the local list, participate in the eligibility determinations.

[60 FR 57890, Nov. 24, 1995, as amended at 71 FR 67284, Nov. 20, 2006]

### § 950.110 Prohibited discrimination.

Discrimination for or against any individual or group on account of race, color, religion, sex, national origin, age, handicap, or political affiliation is prohibited in all aspects of the management and the execution of the CFC. Nothing herein denies eligibility to any organization, which is otherwise eligible under this part to participate in the CFC, merely because such organization is organized by, on behalf of, or to serve persons of a particular race, color, religion, sex, national origin, age, or handicap.

### Subpart B—Eligibility Provisions

#### § 950.201 National/international eligibility.

(a) The Director shall annually:

(1) Determine the timetable and other procedures regarding application for inclusion in the National/International and International parts of the Charity List.

(2) Determine which organizations among those that apply qualify to be included in the National/International and International parts of the Charity List and then provide these parts of the Charity List of qualified organizations to all local campaigns. In order to determine whether an organization may participate in the campaign, the Director may request evidence of corrective action regarding any prior violation of regulation or directive, sanction, or penalty, as appropriate. The Director retains the ultimate authority to decide whether the organization has demonstrated, to the Director's satisfaction, that the organization has taken appropriate corrective action. Failure to demonstrate satisfactory corrective action or to respond to the Director's request for information within 10 business days of the date of the request may result in a determination that the

organization will not be included in the Charity List.

(b) The National/International and International parts of the Charity List shall be included in the Charity List in accordance with these regulations. The Charity List will include each organization's CFC code and other information as determined by OPM. These CFC codes must be verbatim reproduced in the Charity List.

(c) An organization on the National/International or International parts of the Charity List may elect to be removed from the applicable part of the Charity List and have its local affiliate or subunit listed on the Local part of the Charity List of organizations in its stead. For the local affiliate or subunit to be listed in lieu of the organization on the National/International or International parts, the following procedures must be followed:

(1) The organization must send a letter to the local affiliate or subunit in that particular geographic CFC, waiving its listing on the National/International or International part of the Charity List so that its eligible local affiliate or subunit listed in the Local part of the Charity List in that geographic CFC will appear as that organization's sole listing in the Charity List.

(2) The local affiliate or subunit will include in its application to the LFCC a copy of the letter authorizing the removal of the organization from the National/International or International part of the Charity List, as well as all the required materials for completing a local organization application.

(3) Upon finding the local organization eligible, the waiver letter from the organization on the National/International or International part authorizes the LFCC to delete that organization from the National/International or International part of the Charity List.

#### § 950.202 National/international eligibility requirements.

(a) Certify that it provides or conducts real services, benefits, assistance, or program activities, in 15 or more different states or a foreign country over the 3 year period immediately

preceding the start of the year involved. This requirement cannot be met on the sole basis of services provided through an "800" telephone number or by disseminating information and publications via the U.S. Postal Service, the internet, or a combination thereof. A schedule listing a detailed description of the services in each state (minimum 15) or foreign countries (minimum 1), including the year of service, must be included with the CFC application. The schedule must make a clear showing of national or international presence. Broad descriptions of services and identical repetitive narratives will not be accepted in the sole discretion of OPM if they do not allow OPM to adequately determine that real services were provided or to accurately determine the individuals or entities who benefited. Providing listings of affiliated groups does not sufficiently demonstrate provision of real services by the applicant. Location of residence of organization members or location of residence of visitors to a facility does not substantiate provision of services. Organizations that issue student scholarships or fellowships must indicate the state in which the recipient resides, not the state of the school or place of fellowship. Mere dissemination of information does not demonstrate acceptable provision of real services. While it is not expected that an organization maintain an office in each state or foreign country, a clear showing must be made of the actual services, benefits, assistance or activities provided in each state or foreign country. De minimis services, benefits, assistance, or other program activities in any state or foreign country will not be accepted as a basis for qualification as a national or international organization.

(b) Certify that it is an organization recognized by the Internal Revenue Service as tax exempt under 26 U.S.C. 501(c)(3) to which contributions are deductible under 26 U.S.C. §170(c)(2). A copy of the letter(s) from the Internal Revenue Service granting tax exempt and public charity status must be included in the organization's application.

#### § 950.203 Public accountability standards.

(a) To insure organizations wishing to solicit donations from Federal employees in the workplace are portraying accurately their programs and benefits, several standards and certifications must be met annually by each organization seeking eligibility. Each organization wishing to participate must:

(1) Certify that the organization is a human health and welfare organization providing services, benefits, or assistance to, or conducting activities affecting, human health and welfare. The organization's application must provide documentation describing the health and human welfare benefits provided by the organization within the previous year.

(2) Certify that it accounts for its funds on an accrual basis (cash, modified cash, modified accrual and any other methods of accounting are not acceptable) in accordance with generally accepted accounting principles and that an audit of its fiscal operations is completed annually by an independent certified public accountant in accordance with generally accepted auditing standards. A copy of the organization's most recent annual audited financial statements must be included with the application. The audited financial statements must cover the fiscal period ending not more than 18 months prior to the January of the year of the campaign for which the organization is applying. For example, the audited financial statements included in the 2007 application must cover the fiscal period ending on or after June 30, 2005.

(3) Certify that it prepares and submits to the IRS a complete copy of the organization's IRS Form 990 or that it is not required to prepare and submit an IRS Form 990 to the IRS. Provide a completed copy of the organization's IRS Form 990 submitted to the IRS covering a fiscal period ending not more than 18 months prior to the January of the year of the campaign for which the organization is applying, including signature, supplemental statements and Schedule A, with the application, or if not required to file an IRS Form 990, provide a pro forma IRS

## § 950.204

Form 990 page 1 and Part V only. IRS Forms 990EZ, 990PF, and comparable forms are not acceptable substitutes. The IRS Form 990 and audited financial statements must cover the same fiscal period.

(4) Provide a computation of the organization's percentage of total support and revenue spent on administrative and fundraising. This percentage shall be computed from information on the IRS Form 990 submitted pursuant to § 950.203(a)(3).

(5) Certify that the organization is directed by an active and responsible governing body whose members have no material conflict of interest and, a majority of which serve without compensation.

(6) Certify that the organization's fundraising practices prohibit the sale or lease of its CFC contributor lists.

(7) Certify that its publicity and promotional activities are based upon its actual program and operations, are truthful and non-deceptive, and make no exaggerated or misleading claims.

(8) Certify that contributions are effectively used for the announced purposes of the charitable organization.

(9) Provide a statement that the certifying official is authorized by the organization to certify and affirm all statements required for inclusion on the Charity List.

(b) The Director shall review these applications for accuracy, completeness, and compliance with these regulations. Failure to supply any of this information may be judged a failure to comply with the requirements of public accountability, and the charitable organization may be ruled ineligible for inclusion on the national list.

(c) The Director may request such additional information as the Director deems necessary to complete these reviews. An organization that fails to comply with such requests within 10 calendar days from receipt of the request may be judged ineligible.

(d) The required certifications and documentation must have been completed and submitted prior to the application filing deadline. Applications received that are incomplete may not be perfected during the appeal process described in § 950.205.

## 5 CFR Ch. I (1–1–12 Edition)

(e) The Director may waive any of these standards and certifications upon a showing of extenuating circumstances.

[60 FR 57890, Nov. 24, 1995, as amended at 61 FR 4585, Feb. 7, 1996; 71 FR 67285, Nov. 20, 2006; 72 FR 6143, Feb. 9, 2007]

### § 950.204 Local eligibility.

(a) The LFCC shall establish an annual application process consistent with these regulations for organizations that wish to be listed in the Charity List.

(b) The requirements for an organization to be listed in the Charity List shall include the following:

(1) An organization must demonstrate to the satisfaction of the LFCC of the appropriate local campaign, that it has a substantial local presence in the geographical area covered by the local campaign, a substantial local presence in the geographical area covered by an adjacent local campaign, or substantial statewide presence. Eligibility to participate in an adjoining campaign on the basis of adjacency or statewide presence may be discontinued upon implementation of appropriate electronic technology that allows removal of the need for geographic restrictions on giving as determined by the Director.

(i) Substantial local presence is defined as a staffed facility, office or portion of a residence dedicated exclusively to that organization, available to members of the public seeking its services or benefits. The facility must be open at least 15 hours a week and have a telephone dedicated exclusively to the organization. The office may be staffed by volunteers. Substantial local presence cannot be met on the basis of services provided solely through an "800" telephone number, the internet, the U.S. Postal Service or a combination thereof.

(ii) An adjacent local campaign is defined as a local campaign whose geographic border touches the geographic border of another local campaign. Participation in a local campaign via an adjacency determination does not grant the organization a substantial local presence in the adjacent local

campaign and participating via adjacency cannot be used to establish adjacency to local campaigns bordering the adjacent campaign area.

(iii) Substantial statewide presence is defined as providing or conducting real services, benefits, assistance or program activities covering 30 percent of a state's geographic boundaries or providing or conducting real services, benefits, assistance or program activities affecting 30 percent of a state's population. Substantial statewide presence cannot be met on the basis of services provided solely through an "800" telephone number, the internet, the U.S. Postal Service or a combination thereof.

(2) An organization seeking local eligibility also must meet all requirements for national list eligibility in § 950.202 and § 950.203, with the following exceptions:

(i) Local charitable organizations are not required to have provided services or benefits in 15 states or a foreign country over the prior 3 years.

(ii) A local charitable organization with annual revenue of less than \$100,000 reported on its IRS Form 990 or pro form IRS Form 990 submitted to the CFC is not required to undergo an audit or to submit audited financial statements. Rather, the organization must certify that it has controls in place to ensure that funds are properly accounted for and that it can provide accurate and timely financial information to interested parties. A local organization with annual revenue of at least \$100,000 but less than \$250,000 must certify that it accounts for its funds on an accrual basis in accordance with generally accepted accounting principles and that an audit of its fiscal operations is completed annually as described in section 950.203(a)(2), but such organization does not have to submit a copy of its audited financial statements with its CFC application, unless requested to do so by the LFCC or Director.

(iii) An organization seeking local eligibility in Puerto Rico, the U.S. Virgin Islands, the Commonwealth of Northern Mariana Islands, American Samoa, or Guam is exempt from the requirements of § 950.202(b), but the organization must include with its CFC ap-

plication the appropriate documentation from its governing authority demonstrating its status as a charitable organization.

(c) Family support and youth activities certified by the commander of a military installation as meeting the eligibility criteria contained in § 950.204(d) may appear on the list of local organizations and be supported from CFC funds. Family support and youth activities may participate in the CFC as a member of a federation at the discretion of the certifying commander.

(d) A family support and youth activity must:

(1) Be a nonprofit, tax-exempt organization that provides family service programs or youth activity programs to personnel in the Command. The activity must not receive a majority of its financial support from appropriated funds.

(2) Have a high degree of integrity and responsibility in the conduct of their affairs. Contributions received must be used effectively for the announced purposes of the organization.

(3) Be directed by the base Non-Appropriated Fund Council or an active voluntary board of directors which serves without compensation and holds regular meetings.

(4) Conduct its fiscal operations in accordance with a detailed annual budget, prepared and approved at the beginning of the fiscal year. Any significant variations from the approved budget must have prior authorization from the Non-Appropriated Fund Council or the directors. The family support and youth activities must have accounting procedures acceptable to an installation auditor and the inspector general.

(5) Have a policy and practice of non-discrimination on the basis of race, color, religion, sex or national origin applicable to persons served by the organization.

(6) Prepare an annual report which includes a full description of the organization's activities and accomplishments. These reports must be made available to the public upon request.

(e) *Local eligibility determinations.* The LFCC shall communicate its eligibility decisions by a date to be determined by

## § 950.205

## 5 CFR Ch. I (1–12 Edition)

OPM as part of the annual timetable issued by the Director under § 950.801(b). Denial of the application by the LFCC must be sent via U.S. Postal Service certified or registered mail with a return receipt requested. Approvals may be sent via U.S. Postal Service regular first class mail. Applicants denied eligibility may appeal in accordance with § 950.205.

(f) No LFCC may produce the Charity List while there are appeals of eligibility decisions from their campaign pending with the Director. LFCC's are obligated to check with OPM 21 calendar days after the mailing of the local appeal decision as to whether the Director is on notice of a pending timely appeal.

(g) In order to determine whether an organization may participate in the campaign, the LFCC may request evidence of corrective action regarding any prior violation of regulation or directive, sanction, or penalty, as appropriate. The LFCC will decide whether the organization has demonstrated, to the LFCC's satisfaction, that the organization has taken appropriate corrective action. Failure to demonstrate satisfactory corrective action or to respond to the LFCC's request for information within 10 business days of the date of the request may result in a determination that the organization will not be included in the local part of the Charity List.

[60 FR 57890, Nov. 24, 1995, as amended at 71 FR 67285, Nov. 20, 2006]

### § 950.205 Appeals.

(a) Organizations who apply and are denied eligibility for inclusion on the national list will be notified of the Director's decision by registered or certified mail of the U.S. Postal Service. Organizations may appeal the Director's decision by submitting a written request to reconsider the denial to the Director. This request must be received within 10 business days from the date of receipt of the Director's decision to deny eligibility and shall be limited to those facts justifying the reversal of the original decision. Requests for reconsideration may not be used to supplement applications that had missing or outdated documents, and any such documents submitted with the request

for reconsideration will not be considered.

(b) Applicants denied listing in the local Charity List must first appeal in writing to the LFCC to reconsider its original decision. Such an appeal must be received by the LFCC within 7 business days from the date of receipt of the initial LFCC decision or 14 calendar days from the date the decision was mailed, whichever is earlier. The LFCC must consider all timely appeals and notify the appealing organization within a reasonable time period. Denial of the appeal by the LFCC must be sent via U.S. Postal Service certified or registered mail with a return receipt. Approval of local appeals may be sent via U.S. Postal Service regular first class mail or facsimile.

(c) A local applicant which is unsuccessful in its appeal to the LFCC may appeal to the Director. All appeals must:

- (1) Be in writing;
- (2) Be received by the Director within 10 business days of the date of receipt of the letter from the LFCC denying eligibility on appeal;
- (3) Include a statement explaining the reason(s) why eligibility should be granted;
- (4) Include a copy of the letter from the LFCC disapproving the original application, a copy of the organization's appeal to the LFCC, a copy of the letter from the LFCC denying the appeal and supporting information to justify the reversal of the original decision.

(d) If an organization fails to file a timely application or a timely appeal of an adverse eligibility determination in accordance with these regulations, such application or appeal to the Director will be dismissed as untimely.

(e) Appeals to the Director may not be used to supplement original applications that had missing or outdated documents. Any such supplemental documents will not be considered. Such appeals shall be limited to those facts justifying the reversal of the original decision.

(f) The Director's decision is final for administrative purposes.

**Subpart C—Federations****§ 950.301 National and international federations eligibility.**

(a) The Director may recognize national and international federations that conform to the requirements and are eligible to receive designations. The Director may from time to time place a moratorium on the recognition of national and international federations. In order to determine whether the Director will recognize a national or international federation, the Director may request evidence of corrective action regarding any prior violation of regulation or directive, sanction, or penalty, as appropriate. The Director retains the ultimate authority to decide whether the federation has demonstrated, to the Director's satisfaction, that the federation has taken appropriate corrective action. Failure to demonstrate satisfactory corrective action or to respond to the Director's request for information within 10 business days of the date of the request may result in a determination that the federation will not be included in the Charity List.

(b) By applying for inclusion in the CFC, federations consent to allow the Director complete access to it and its members' CFC books and records and to respond to requests for information by the Director.

(c) An organization may apply to the Director for inclusion as a national or international federation to participate in the CFC if the applicant has, as members of the proposed federation, 15 or more charitable organizations, in addition to the federation itself, that meet the eligibility criteria of §§ 950.202 and 950.203. The initial year an organization applies for federation status, it must submit the applications of all its proposed member organizations in addition to the federation application. A federation must re-establish eligibility each year, however only the applications of its new and former members that were not within the federation, as a CFC participant, in the previous year's campaign need accompany the annual federation application once an organization has obtained federation status, unless additional member applications are requested by the Director.

(d) After an organization has been granted federation status, it may certify that its member organizations meet all eligibility criteria of § 950.202 and § 950.203 to be included on the national list. Federation status in a prior campaign is not a guarantee of federation status in a subsequent campaign. Failure to meet minimum federation eligibility requirements shall not be deemed to be a withdrawal of federation status subject to a hearing on the record.

(e) An applicant for national or international federation status must annually certify and/or demonstrate:

(1) That all member organizations seeking participation in the CFC are qualified for inclusion on the National or International part of the Charity List. Applicants must provide a complete list of those member organizations it certified.

(2) That it meets the eligibility requirements and public accountability standards contained in §§ 950.202 and 950.203. The federation can demonstrate that it has met the eligibility requirement in § 950.202(a) either through its own services, benefits, assistance or program activities or through its 15 members' activities.

(i) The federation must complete the certification set forth at § 950.203(a)(2) without regard to the amount of revenue reported on its IRS Form 990 and must provide a copy of its audited financial statements. The audited financial statements provided must verify that the federation is honoring designations made to each member organization by distributing a proportionate share of receipts based on donor designations to each member. The audit requirement is waived for newly created federations operating for less than a year as determined from the date of its IRS tax-exemption letter to the closing date of the CFC application period.

(ii) The federation must provide a listing of its board of directors, beginning and ending dates of each member's current term of office, and the board's meeting dates and locations for the year prior to the year of the campaign for which the organization is applying.

## § 950.302

## 5 CFR Ch. I (1–12 Edition)

(iii) The federation must certify that it prepares and makes available to the public, upon request, an annual report that includes a full description of the organization's activities and supporting services and identifies its directors and chief administrative personnel. The federation must provide a copy of its most recently completed annual report covering the fiscal period ending not more than 18 months prior to January of the campaign year to which the federation is applying or the preceding calendar year. The annual report must also include an accurate description of the federation's membership dues and/or service charges received by the federation from the charitable organizations participating as members. The information must clearly present the amounts raised, the sources of contributions, the cost of fundraising, and how costs are recovered from donations.

(3) That it does not employ in its CFC operations the services of private consultants, consulting firms, advertising agencies or similar business organizations to perform its policy-making or decision-making functions in the CFC. It may, however, contract with entities or individuals such as banks, accountants, lawyers, and other vendors of goods and/or services to assist in accomplishing its administrative tasks.

(f) The Director will notify a federation if it is determined that the federation does not meet the eligibility requirements of this section. A federation may appeal an adverse eligibility decision in accordance with § 950.205.

(g) The Director may waive any eligibility criteria for federation status if it is determined that such a waiver will be in the best interest of the CFC.

(h) Two organizations—American Red Cross and United Service Organization—are exempt from the 15-member requirement of § 950.301(c).

[60 FR 57890, Nov. 24, 1995, as amended at 71 FR 67286, Nov. 20, 2006]

### § 950.302 Responsibilities of national and international federations.

(a) National and international federations must ensure that only those member organizations that comply with all eligibility requirements in-

cluded in these regulations are certified for participation in the CFC.

(b) The Director may elect to review, accept or reject the certifications of the eligibility of the members of the national federations. If the Director requests information supporting a certification of national eligibility, that information shall be furnished promptly. Failure to furnish such information within 10 business days of the receipt of the request constitutes grounds for the denial of national eligibility of that member.

(c) Each federation, as fiscal agent for its member organizations, must ensure that Federal employee designations are honored in that each member organization receives its proportionate share of receipts based on the results of each individual campaign. The proportionate share of receipts is determined by donor designations to the individual member organization as compared to total campaign designations.

[60 FR 57890, Nov. 24, 1995, as amended at 71 FR 67287, Nov. 20, 2006]

### § 950.303 Local federations eligibility.

(a) LFCC's must approve local federations that meet the applicable requirements, except that in order to determine whether the LFCC must recognize a local federation, the LFCC may request evidence of corrective action regarding any prior violation of regulation or directive, sanction, or penalty, as appropriate. A local federation that has been notified that it will not be included on the Local part of the Charity List because of failure to correct a prior violation may appeal the LFCC's decision to the Director in accordance with § 950.205(b). The Director retains the ultimate authority to decide whether the local federation has demonstrated, to the Director's satisfaction, that the local federation has taken appropriate corrective action. Failure to demonstrate satisfactory corrective action or to respond to a request by the LFCC or Director for information within 10 business days of the date of the request may result in a determination that the local federation will not be included in the Local part of the Charity List.

(b) By applying for inclusion in the CFC, federations consent to allow the

LFCC and Director complete access to it and its members' CFC books and records and to respond to requests for information by the LFCC and the Director.

(c) An organization may apply to the LFCC for inclusion as a local federation to participate in the CFC if the applicant has as members of the proposed federation 15 or more charitable organizations, in addition to the federation itself, that meet the eligibility criteria of §§ 950.202, 950.203 and 950.204. The initial year an organization applies for federation status, it must submit to the LFCC applications of all its proposed member organizations in addition to the federation application. A federation must re-establish eligibility each year, however only the applications of its new and former members that were not within the federation, as a CFC participant, in the previous year's campaign need accompany the annual federation application once an organization has obtained federation status, unless additional member applications are requested by the LFCC.

(d) After an organization has been granted federation status, it may certify that its member organizations meet all eligibility criteria of §§ 950.202, 950.203, and 950.204 to be included on the Local List. While deference should be given to federation certifications, the LFCC, during the review process, may request independent evidence of individual member organization's eligibility. Federation status in a prior campaign is not a guarantee of federation status in a subsequent campaign. Failure to meet minimum federation eligibility requirements shall not be deemed to be a withdrawal of federation status subject to a hearing on the record.

(e) An applicant for local federation status must certify and/or demonstrate:

(1) That all member organizations seeking participation in the CFC are qualified for inclusion on the Local List and provide a complete list of those member organizations it certified.

(2) That it meets the eligibility requirements contained in § 950.204 (including eligibility requirements and public accountability standards of

§§ 950.202 and 950.203 that are incorporated by reference). The federation can demonstrate that it has met the eligibility requirement in § 950.204(b)(1) either through its own services, benefits, assistance or program activities or through its 15 members' activities.

(i) The federation must complete the certification set forth at § 950.203(a)(2) without regard to the amount of revenue reported on its IRS Form 990 and must provide a copy of its audited financial statements. The audited financial statements provided must verify that the federation is honoring designations made to each member organization by distributing a proportionate share of receipts based on donor designations to each member. The audit requirement is waived for newly created federations operating for less than a year as determined from the date of its IRS tax-exemption letter to the closing date of the CFC application period.

(ii) The federation must provide a listing of its board of directors, beginning and ending dates of each member's current term of office, and the board's meeting dates and locations for the year prior to the year of the campaign for which the organization is applying.

(iii) The federation must certify that it prepares and makes available to the public, upon request, an annual report that includes a full description of the organization's activities and supporting services and identifies its directors and chief administrative personnel. The federation must provide a copy of its most recently completed annual report covering the fiscal year ending not more than 18 months prior to January of the campaign year to which the federation is applying or the preceding calendar year. The annual report must also include an accurate description of the federation's membership dues and/or service charges received by the federation from the charitable organizations participating as members. The information must clearly present the amounts raised, the sources of contributions, the cost of fundraising, and how costs are recovered from donations.

(3) That it does not employ, in its CFC operations, the services of private

## § 950.304

consultants, consulting firms, advertising agencies or similar business organizations to perform the policy-making or decision-making functions in the CFC. It may, however, contract with entities or individuals such as banks, accountants, lawyers, and other vendors of goods and/or services to assist in accomplishing its administrative tasks.

(f) The LFCC will notify a federation if it is determined that the federation does not meet the eligibility requirements of this section. A federation may appeal an adverse eligibility decision in accordance with § 950.205.

(g) The Director may waive any eligibility criteria for federation status if it is determined that such a waiver will be in the best interest of the CFC.

[60 FR 57890, Nov. 24, 1995, as amended at 71 FR 67287, Nov. 20, 2006]

## § 950.304 Responsibilities of local federations.

(a) Local federations must ensure that only those member organizations that comply with all eligibility requirements included in these regulations are certified for participation in the CFC.

(b) If the LFCC requests information supporting a certification of local eligibility, that information shall be furnished promptly. Failure to furnish such information within 10 business days of the receipt of the request constitutes grounds for the denial of local eligibility.

(c) Each federation, as fiscal agent for its member organizations, must ensure that Federal employee designations are honored in that each member organization receives its proportionate share of receipts based on the results of each individual campaign. The proportionate share of receipts is determined by donor designations to the individual member organization as compared to total campaign designations.

## 5 CFR Ch. I (1–1–12 Edition)

### Subpart D—Campaign Information

#### § 950.401 Campaign and publicity information.

(a) The specific campaign and publicity information, such as the official Charity List, will be developed locally, except as specified in these regulations. All information must be reviewed by the LFCC for compliance with these regulations and will be developed and supplied by the PCFO. All publicity information must have the approval of the LFCC before being used. Federations must notify the PCFO in writing of their desire to participate in the development of campaign and publicity information. The PCFO must respond in a timely manner to a federation's request to participate in the development of campaign and publicity information. Federations must also respond in a timely fashion in the development of campaign and publicity information.

(b) During the CFC solicitation period, participating CFC organizations may distribute bona fide educational information describing its services or programs. The organization must be granted permission by the Federal agency installation head, or designee to distribute the material. CFC Coordinators, Keyworkers or members of the LFCC, are not authorized to grant permission for the distribution of such information. If one organization is granted permission to distribute educational information, then the Federal agency installation head must allow any other requesting CFC organization to distribute educational information.

(c) Organizations and federations are encouraged to publicize their activities outside Federal facilities and to broadcast messages aimed at Federal employees in an attempt to solicit their contributions through the media and other outlets.

(d) Agency Heads are further authorized to permit the distribution by organizations of promotional information to Federal personnel in public areas of Federal workplaces in connection with the CFC, provided that the manner of distribution accords equal treatment to all charitable organizations furnishing such information for local use,

and further provided that no such distribution shall utilize Federal personnel on official duty or interfere with Federal government activities. LFCC members and other campaign personnel are to be particularly aware of the prohibition of assisting any charitable organization or federated group in distributing any type of literature, especially during the campaign period. Nothing in this section shall be construed to require an LFCC to distribute or arrange for the distribution of any material other than the Campaign Charity List and the pledge form.

(e) The Campaign Charity List and pledge form is the official source of CFC information and shall be made available either in hard copy or electronic format to all potential contributors. All CFC Charity Lists must inform employees of their right to make a choice to contribute or not to contribute; to designate or not to designate; and to give a confidential gift in a sealed envelope.

(f) Campaign information must constitute a simple and attractive design that has fundraising appeal and essential working information. The design should focus on the CFC without undue use of charitable organization symbols and logos or other distractions that compete for the donor's attention. Extraneous instructions concerning the routing of forms, tallying of contributor's receipt, and similar reports, which are primarily for keyworkers must be avoided.

(g) The following applies specifically to the campaign Charity List:

(1) OPM will include in the annual distribution of the National/International and International parts of the Charity List explicit instructions for the production of the Charity List and language to be reproduced verbatim in the introductory section. The general information provided will include:

(i) A description of the CFC arrangement and explanation of the payroll deduction privilege.

(ii) a statement that the donor may only designate charitable organizations or federations that are listed in the Charity List and that write-ins are prohibited.

(iii) instructions as to how an employee may obtain more specific information about the programs and the finances of the organizations participating in the campaign.

(iv) A description of employees' rights to pursue complaints of undue pressure or coercion in Federal fundraising activities.

(2) Following the introductory section, the Charity List will consist of three parts—the National/International, the International, and the Local. The order of these three parts will be annually rotated in accordance with OPM instructions. The National/International and International parts will consist of faithful reproductions of the parts of National/International and International organizations, including federations, provided by OPM. The third part, the Local part, is determined by the LFCC. The order of listing of the federated and independent organizations within the three separate parts will be determined by random drawing. The order of organizations within each federation will be determined by the federation. The order within the National/International, International and Local independent groups will be alphabetical. Absent specific instructions from OPM to the contrary, each participating organization and federated group listing must include a description, not to exceed 25 words, of its services and programs, plus a telephone number for the Federal donor to request further information about the group's services, benefits, and administrative expenses. Each listing will include the organization's administration and fundraising percentage as calculated pursuant to § 950.203(a)(4). Neither the percentage of administrative and fundraising expenses, nor the telephone number count toward the 25-word statement.

(3) Each federation and charitable organization will be assigned a code in a manner determined by the Director. At the beginning of each federated group's listing will be the federation's name, code number, 25-word statement, percentage of administrative and fundraising expenses, and telephone number. The sections of the Charity List where the independent organizations

## § 950.402

## 5 CFR Ch. I (1–1–12 Edition)

are listed will begin with the titles National/International Independent Organizations, International Independent Organizations and Local Independent Organizations, respectively.

(h) Omission of an eligible charitable organization from the Charity List may require that the Charity List be corrected and reissued. Such an omission must be reported to OPM immediately upon discovery. The Director or LFCC may direct that the cost of such correction and reissue be borne by the PCFO or charged to CFC administrative expenses.

(i) *Listing of National and Local Affiliate.* Listing of a national organization, as well as its local affiliate organization, is permitted. Each national or local organization must individually meet all of the eligibility criteria and submit independent documentation as required in § 950.202, § 950.203 or § 950.204 to be included in the Charity List, except that a local affiliate of a national organization that is not separately incorporated, in lieu of its own 26 U.S.C. 501(c)(3) tax exemption letter and, to the extent required by § 950.204(b)(2)(ii), audited financial statements, may submit the national organization's 26 U.S.C. 501(c)(3) tax exemption letter and audited financial statements, but must provide its own pro forma IRS Form 990, page 1 and Part V only, for CFC purposes. The local organization must submit a certification from the Chief Executive Officer (CEO) or CEO equivalent of the national organization stating that it operates as a bonafide chapter or affiliate in good standing of the national organization and is covered by the national organization's 26 U.S.C. 501(c)(3) tax exemption, IRS Form 990 and audited financial statements. A national organization may waive its listing in the National/International or International parts of the Charity List in favor of its local affiliate by following the procedures set forth in § 950.201(c).

(j) *Multiple Listing Prohibited.* Except as provided in paragraph (i) of this section, once an organization is deemed eligible, it is entitled to only one listing in the Charity List, regardless of the number of federations to which that organization belongs.

(k) The LFCC may omit the 25-word program description from the CFC Charity List if, in the immediately preceding campaign period, contributions received in the local CFC totaled less than \$100,000 or if the LFCC can demonstrate to the satisfaction of the Director that it can make the same information available electronically without disrupting donor opportunities to contribute.

### § 950.402 Pledge form.

(a) The Director will make available each campaign period at least one model pledge form which shall be reproduced at the local level.

(b) Campaigns may incorporate additional giving levels to the Director's authorized pledge form. Campaigns may also include their award recognition program. No further modifications to the pledge form are permitted unless approved in advance by the Director.

(c) An employee may not make a designation to an organization not listed in the Charity List. In addition, an employee may not make a CFC contribution to an organization listed in the Charity List of a campaign covering a geographic location different from the campaign where the employee works, except in cases of emergencies or disasters as approved by the Director. This restriction does not apply upon implementation of electronic technology that removes the geographic restrictions on giving as announced by the Director. Designations made to organizations not listed in the Charity List are not invalid, but will be treated as undesignated funds and distributed accordingly.

(d) In the event the PCFO receives a pledge form that has designations that add up to less than the total amount pledged, the PCFO must honor the total amount pledged and treat the excess amount as undesignated funds. In the event that a PCFO receives a pledge form that has a total amount pledged that is less than the sum of the individual designations, the PCFO must honor the designations by assigning a proportionate share of the total gift to each organization designated. For example, if an employee indicates

## § 950.602

a total gift of \$100 on the pledge form, but designates \$50 to one organization and \$25 to each of three other organizations, the PCFO must adjust the pledges proportionately by entering a pledge of \$40 to the first organization and \$20 to each of the three other organizations.

### Subpart E—Undesignated Funds

#### § 950.501 Applicability.

(a) All undesignated funds shall be distributed to all of the organizations in the CFC Charity List in the same proportion that they received designations in the campaign.

(b) The distribution of undesignated funds described in § 950.501(a) applies to all domestic area campaigns. It does not apply to the DOD Overseas Campaign.

(c) The Director may alter the distribution of undesignated funds as local campaign circumstances may require or to enforce the distribution method described herein.

[60 FR 57890, Nov. 24, 1995; 61 FR 4585, Feb. 7, 1996, as amended at 71 FR 67288, Nov. 20, 2006]

### Subpart F—Miscellaneous Provisions

#### § 950.601 Release of contributor information.

(a) The pledge form, designed pursuant to § 950.402, must allow a contributor to indicate if the contributor does wish his or her name, contribution amount, and home contact information forwarded to the charitable organization or organizations designated. A PCFO's failure to honor a contributor's wish may result in the PCFO being sanctioned or penalized as provided for in § 950.603(a).

(b) The pledge form shall permit a contributor to specify which information, if any, he or she wishes released to organizations receiving his or her donations.

(c) It is the responsibility of the PCFO to forward the contributor information for those who have indicated that they wish this information released to the recipient organization di-

rectly, if the organization is independent, and to the organization's federation if the organization is a member of a federation. The PCFO may not sell or make any other use of this information.

[71 FR 67288, Nov. 20, 2006]

#### § 950.602 Solicitation methods.

(a) Employee solicitations shall be conducted during duty hours using methods that permit true voluntary giving and shall reserve to the individual the option of disclosing any gift or keeping it confidential. Campaign kick-offs, victory events, awards, and other non-solicitation events to build support for the CFC are encouraged.

(b) Special CFC fundraising events, such as raffles, lotteries, auctions, bake sales, carnivals, athletic events, or other activities not specifically provided for in these regulations are permitted during the campaign period if approved by the appropriate agency head or government official, consistent with agency ethics regulations. CFC special fundraising events should be undertaken in the spirit of generating interest in the CFC and be open to all individuals without regard to whether an individual participates in the CFC. Chances to win must be disassociated from amount of contributions, if any. Raffle prizes should be modest in nature and value. Examples of appropriate raffle prizes may include opportunities for lunch with Agency Officials, agency parking spaces for a specific time period, and gifts of minimal financial value. Any special CFC fundraising event and prize or gift should be approved in advance by the Agency's ethics official.

(c) In all approved special fundraising events the donor must have the option of designating to a specific participating organization or federation or be advised that the donation will be counted as an undesignated contribution and distributed according to these regulations.

[60 FR 57890, Nov. 24, 1995, as amended at 71 FR 67289, Nov. 20, 2006]

**§ 950.603 Sanctions and penalties.**

(a)(1) The Director may impose sanctions or penalties on a federation, charitable organization or PCFO for violating these regulations, other applicable provisions of law, or any directive or instruction from the Director. The Director will determine the appropriate sanction and/or penalty, up to and including expulsion from the CFC. In determining the appropriate sanction and/or penalty, the Director will consider previous violations, harm to Federal employee confidence in the CFC, and any other relevant factors. The Director may bar a federation or charitable organization from serving as PCFO, for a period not to exceed one campaign period, if it is determined that that the federation or charitable organization has violated any provisions of these regulations. A federation, charitable organization or PCFO will be notified in writing of the Director's intent to sanction and/or penalize and will have 10 business days from the date of receipt of the notice to submit a written response. The Director's final decision will be communicated in writing to the federation, charitable organization, or PCFO, with a copy to the appropriate LFCC.

(2) The Director may withdraw federation status with respect to a national, international or local federation that makes a false certification or fails to comply with any directive of the Director, or to respond in a timely fashion to a request by the Director or LFCC for information or cooperation, including with respect to an investigation or in the settlement of disbursements. The LFCC may recommend the withdrawal of federation status with respect to a local federation. As stated in §§ 950.301(d) and 950.303(d), failure to meet minimum federation eligibility requirements shall not be deemed to be a withdrawal of federation status subject to a hearing on the record. Eligibility decisions shall follow the procedures in §§ 950.301(f) and 950.303(f). A federation will be notified in writing of the Director's intent to withdraw federation status for a period of up to one campaign period and will have 10 business days from the date of receipt of the notice to submit a written response. On receipt of the response, or

in the absence of a timely response, the Director or representative shall set a date, time, and place for a hearing. The federation shall be notified at least 10 business days in advance of the hearing. A hearing shall be conducted by a hearing officer designated by the Director unless it is waived in writing by the federation. After the hearing is held, or after the Director's receipt of the federation's written waiver of the hearing, the Director shall make a final decision on the record, taking into consideration the recommendation submitted by the hearing officer. The Director's final decision will be communicated in writing to the federation, with a copy to the appropriate LFCC.

(3) A federation, charitable organization or PCFO sanctioned or penalized under any provision of these regulations must demonstrate to the satisfaction of the Director that it has taken corrective action to resolve the reason for sanction and/or penalty and has implemented reasonable and appropriate controls to ensure that the situation will not occur again prior to being allowed to participate in subsequent CFCs and/or serving as a PCFO for a campaign.

(b) At the Director's discretion, PCFO's and Federations may be directed to suspend distribution of current and future CFC donations from Federal employees to recipient organizations. Federations and PCFO's shall immediately place suspended contributions in an interest bearing account until directed to do otherwise.

[60 FR 57890, Nov. 24, 1995, as amended at 71 FR 67289, Nov. 20, 2006]

**§ 950.604 Records retention.**

Federations, PCFOs and other participants in the CFC shall retain documents pertinent to the campaign for at least three completed campaign periods. For example, documentation regarding the 2006 campaign must be retained through the completion of the 2007, 2008 and 2009 campaign periods (*i.e.* until early 2011). Documents requested by OPM must be made available within 10 business days of the request.

[71 FR 67289, Nov. 20, 2006]

**§ 950.605 Sanctions compliance certification.**

Each federation, federation member and unaffiliated organization applying for participation in the CFC must, as a condition of participation, complete a certification that it is in compliance with all statutes, Executive orders, and regulations restricting or prohibiting U.S. persons from engaging in transactions and dealings with countries, entities or individuals subject to economic sanctions administered by the U.S. Department of the Treasury's Office of Foreign Assets Control (OFAC). Should any change in circumstances pertaining to this certification occur at any time, the organization must notify OPM's Office of CFC Operations immediately. OPM will take such steps as it deems appropriate under the circumstances, including, but not limited to, notifying OFAC and/or other enforcement authorities of such change, suspending disbursement of CFC funds not yet disbursed, retracting (to the extent practicable) CFC funds already disbursed, and suspending or expelling the organization from the CFC.

### Subpart G—DoD Overseas Campaign

**§ 950.701 DoD overseas campaign.**

(a) A Combined Federal Campaign is authorized for all Department of Defense (DoD) activities in the overseas areas during a 6-week period in the fall. Organizations that may participate in the Overseas Campaign will consist of organizations determined nationally eligible by OPM.

(b) The DoD must select an organization or combination of organizations to serve as PCFO as it deems in the best interests of the overseas campaign.

(c) Federal civilian agencies with overseas personnel may elect to have these employees participate in the DoD campaign or in the National Capital Area campaign.

(d) The overseas campaign Charity List shall not include the All International Organizations Designation Option-III.

(e) Family support and youth activities established in overseas locations may be supported from CFC funds.

(f) Undesignated funds contributed in the Overseas Campaign equal to up to 6 percent of the gross campaign contributions will be allocated to the Overseas family support and youth activities. No other funds may be used for this purpose. If the undesignated funds exceed 6 percent of the gross campaign contributions, this excess shall be distributed to all other organizations in the same proportions as designations.

(g) Overseas family support and youth activities shall not be charged any share of campaign costs. All other organizations participating in the Overseas Area CFC will be charged for campaign costs in the same proportion that they received gross campaign receipts, net of that amount of receipts set aside for family support and youth activities.

(h) The overseas campaign Charity List must explain the allocation policy utilized by each of the military services to allocate funds received from the Overseas campaign to their overseas family support and youth activities.

(1) During a period between December and January, as determined by the Director, OPM will accept applications from organizations seeking to be listed on the National/International and International parts of the Charity List.

(2) The Director will determine a date after the closing of the receipt of applications by which the Director will issue notices to each national and international applicant organization of the results of the Director's review. The date will be part of the annual timetable issued by the Director under § 950.801(b).

(3) Local Federal Coordinating Committees must select a PCFO no later than a date to be determined by OPM. The date will be part of the annual

### Subpart I—Payroll Withholding

#### § 950.901 Payroll allotment.

The policies and procedures in this section are authorized for payroll withholding operations in accordance with the Office of Personnel Management Pay Administration regulations in part 550 of this Title.

(a) *Applicability.* Voluntary payroll allotments will be authorized by all Federal departments and agencies for payment of charitable contributions to local CFC organizations.

(b) *Allottees.* The allotment privilege will be made available to Federal personnel as follows:

(1) Employees whose net pay regularly is sufficient to cover the allotment are eligible. An employee serving under an appointment limited to 1 year or less may make an allotment to a CFC when an appropriate official of the employing Federal agency determines that the employee will continue employment for a period to justify an allotment. This includes military reservists, National Guard, and other part-time and intermittent employees who are regularly employed.

(2) Members of the Uniformed Services are eligible, excluding those on

only short-term assignment (less than 3 months).

(c) *Authorization.* Allotments will be totally voluntary and will be based upon contributor's individual authorization.

(1) The CFC Pledge Form, in conformance with § 950.402, is the only form for authorization of the CFC payroll allotment and may be reproduced by each PCFO. The pledge forms and official Charity List will be made available to employees when charitable contributions are solicited.

(2) The original copy of each paper pledge form (payroll allotment authorization or an acceptable electronic version) should be transmitted to the contributor's servicing payroll office as promptly as possible, preferably by December 15. However, if pledge forms are received after that date they should be accepted and processed by the payroll office.

(d) *Duration.* Authorization of allotments will be in the form of a term allotment. Term authorizations will be in effect for 1 full year—26, 24, or 12 pay periods depending on the allotter's pay schedule—starting with the first pay period beginning in January and ending with the last pay period that begins in December. Three months of employment is considered the minimum amount of time that is reasonable for establishing an allotment.

(e) *Amount.* Allottees will make a single allotment that is apportioned into equal amounts for deductions each pay period during the year.

(1) The minimum amount of the allotment will be determined by the LFCC but will not be less than \$1 per payday, with no restriction on the size of the increment above that minimum.

(2) No change of amount will be authorized for term allotments.

(3) No deduction will be made for any period in which the allotter's net pay, after all legal and previously authorized deductions, is insufficient to cover the CFC allotment. No adjustment will be made in subsequent periods to make up for missed deductions.

(f) *Remittance.* One check will be sent by the payroll office each pay period, in the gross amount of deductions on the basis of current authorizations, to the Central Receipt and Accounting

Point (CRP) at each local CFC location for which the payroll office has received allotment authorizations. The Director will provide a list of the authorized CRP's to Federal payroll offices.

(1) The check will be accompanied by a statement identifying the agency, the dates of the pay period, pay period number, and the total number of employee deductions.

(2) There will be no listing of allottees included or of allottee discontinuances.

(g) *Discontinuance.* Term allotments will be discontinued automatically on expiration of the 1 year withholding period, or on the death, retirement, or separation of the allottee from the Federal service, whichever is earlier.

(1) An allottee may revoke a term authorization at any time by requesting it in writing from the payroll office. Discontinuance will be effective the first pay period beginning after receipt of the written revocation in the payroll office.

(2) A discontinued allotment will not be reinstated.

(h) *Transfer.* When an allottee moves to another organizational unit served by a different payroll office in the same CFC location, whether in the same office or a different Department or agency, his or her allotment authorization should be transferred to the new payroll office.

(i) *Accounting.* Federal payroll offices will oversee the establishment of individual allotment accounts, the deductions each pay period, and the reconciliation of employee accounts in accordance with agency and General Accounting Office requirements. The payroll office will accept responsibility for the accuracy of remittances, as supported by current allotment authorizations, and internal accounting and auditing requirements.

(1) The PCFO shall notify the federations, national and international organizations, and local organizations as soon as practicable after the completion of the campaign, but in no case later than a date to be determined by OPM, of the amounts, if any, designated to them and their member agencies and of the amounts of the undesignated funds, if any, allocated to

them. The date will be part of the annual timetable issued by the Director under §950.801(b).

(2) The PCFO is responsible for the accuracy of disbursements it transmits to recipients. It shall transmit disbursements at least quarterly, minus the approved proportionate share for administrative cost reimbursement and the PCFO fee set forth in §950.106. It shall remit the contributions to each organization or to the federation, if any, of which the organization is a member. The PCFO will distribute all CFC receipts beginning April 1, and quarterly thereafter. At the close of each disbursement period, the PCFO's CFC account shall have a balance of zero.

(3) The PCFO may make one-time disbursements to organizations receiving minimal donations from Federal employees. The LFCC must determine and authorize the amount of these one-time disbursements. The PCFO may deduct the proportionate amount of each organization's share of the campaign's administrative costs and the average of the previous 3 years pledge loss from the one-time disbursement. This is the only approved application of adjusting for pledge loss.

(4) Federated and national charitable organizations, or their designated agents, will accept responsibility for:

(i) The accuracy of distribution amount the charitable organizations of remittances from the PCFO; and

(ii) Arrangements for an independent audit conducted by a certified public accountant agreed upon by the participating charitable organizations.
