Calendar: Ryan Zinke - (b) (6)

Created by: Leila Getto

Who: Tami Heilemann, Todd Willens, Jason Larrabee, Downey Magallanes

Description:

Staff Participating: Willens and Larrabee Their attendees: - Mary Ellen Sprenkel, President/CEO of Corps Network - Tyler Wilson, Director of Government Relations for Corps Network - Jono McKinney, President/CEO of the Montana Conservation Corps - Chris Baker, President/CEO of American Conservation Experience. They would like to share with the Secretary their productive partnerships with NPS, BLM, FWS, BOR, and BIA in Montana, Wyoming, Idaho, and the Dakotas, and the great work of corps across the nation to leverage the power of youth and veterans to serve our public lands. Background - Secretary met Chris Baker during August 2017 TN trip Rainbow Falls trail and invited him to meet about the Corps and the opportunities going forward. Todd also connected them with Marshall Critchfield and Andrew Goodrich. Chris Baker's email -- I wanted to reiterate American Conservation Experience's appreciation for Secretary Zinke's site visit to the Rainbow Falls trail project. His comments on the power of service resonated with our participants, and his observations on the value of training our next generation of Park Rangers captured the spirit of the conservation corps movement. We also appreciate the Secretary's offer to meet with the leadership of the Corps Network, the national association representing and supporting 135 corps. Per Jim Cason, in preparation for the "Preferred New Regional Boundaries" meeting tomorrow (Friday 10/20, 10:00-11:00 am ET), attached are the maps of the potential common regional structures. These maps are the same versions we reviewed at the 9/8 meeting and which Scott Cameron sent out to the Assistant Secretaries on 9/8. The default version is Map #1, which is the Secretary's suggested demarcation. Be prepared to discuss and share your input if there are specific preferences or reasons for adopting the other versions, Maps #2, #3, or #4. -- Christina Summers, FAC P/PM On detail to the Office of the Assistant Secretary/Policy, Management & Budget 202-208-4030 (Work) Office of the Director Interior Business Center (b) (6) (Cell) christina_summers@ibc.doi.gov US Department of the Interior Office of the Secretary www.ibc.doi.gov

POC: Erin DeLullo cell (b) (6) erin@delullo.com original invite below -- From: Erin DeLullo Date: March 23, 2017 at 4:38:35 PM EDT To: , Subject: Weyrich Lunch Invitation Good afternoon Russell and Caroline, Please let this email serve as an invitation and official request for Secretary Zinke to address The Weyrich Lunch. The Weyrich Lunch meeting is named after conservative icon Paul Weyrich. Coalitions for America holds a weekly lunch meeting, in his honor, of over 80 outside groups and individuals who come together to discuss and "take action" on public policy issues currently under discussion in Washington. The lunch meeting provides a weekly forum for reporting to conservative leaders about what our elected officials are doing. We meet every Wednesday at Noon when congress is in session at 201 F. Street, NE, Washington, DC. We are off the record and invitation only. It is also a place where Members of the Senate and House of Representatives attend to give updates on their work, and hear feedback from the conservative leaders. After being recently confirmed, it is with great pleasure to invite the Secretary to speak at one of our weekly meetings again. He addressed us during his service in congress. Our board at Coalitions for America believe the Secretary would be a perfect fit to discuss issues of policy with our invited guests at the Weyrich Lunch. Would April 26th or May 3rd work? If not please let us know a Wednesday that would work for in his calendar. Do not hesitate to reach me with any questions at the phone number below. Thank you. Best, Erin DeLullo The Weyrich Lunch (b) (6) www.weyrichlunch.com

[!OC([1033])!]

.....[!OC([1033])!] Here is the itinerary for the interagency meeting for natural gas pipeline coordination/cooperation here at FERC. The appointment says 9:00 AM, but the meeting will start promptly at 9:30AM. This will be our first of what we hope will be regularly-scheduled meetings for agencies with National Environmental Policy Act (NEPA) review or permitting responsibilities for interstate natural gas pipeline and storage projects under FERC jurisdiction. This will allow agencies involved with NEPA review of FERC projects a regularly-scheduled meeting with FERC environmental staff to discuss any issues or questions, allow for updates to all agencies at one time, and provide an opportunity for discussion amongst our federal agency partners. Itinerary (9:30 AM to noon): 9:00 - 9:30 AM: Allow time to for processing through security and getting settled 9:30 - 9:40 AM: Welcome from FERC's Office of Energy Projects management; introductions 9:40 - 9:50 AM: Brief overview of the FERC review process, including our smaller projects (non-EA or EIS projects) 9:50 - 11:40 AM: Open discussion focused on early involvement in FERC's Pre-filing Process, addressing, as time allows, the following topics: • Methods for early involvement of agencies in project review/development • Identifying agency data needs and sharing these needs with applicants at the start of projects • What are current agency roadblocks/constraints to NEPA review of projects? • What are agency statutory time frames and dependencies that affect the processing of projects? • Identifying and communicating with regional offices • General examples of issues in agency coordination while reviewing an application • Discussions on acceptability of remote survey collection methods and conditional permitting • Others? 11:40 - noon: Discussion/summary of future action items (i.e., issues for next meeting, side meetings with a particular agency or region, etc.) Let us know of any additional topics for discussion that you would like to include and we can add them to the agenda prior to the meeting. Thank you! Joanne Wachholder Interagency Coordinator Federal Energy Regulatory Commission 888 First Street, N.E. Washington, DC 20426 202-502-8056 Joanne.wachholder@ferc.gov
