POC: Erin DeLullo cell (b) (6) erin@delullo.com orginialinvite below -- From: Erin DeLullo Date: March 23, 2017 at 4:38:35 PM EDT To: , Subject: Weyrich Lunch Invitation Good afternoon Russell andCaroline, Please let this email serve as an invitation and officialrequest for Secretary Zinke to address The Weyrich Lunch. The WeyrichLunch meeting is named after conservative icon Paul Weyrich. Coalitionsfor America holds a weekly lunch meeting, in his honor, of over 80outside groups and individuals who come together to discuss and "takeaction" on public policy issues currently under discussion inWashington. The lunch meeting provides a weekly forum for reporting toconservative leaders about what our elected officials are doing. Wemeet every Wednesday at Noon when congress is in session at 201 F.Street, NE, Washington, DC. We are off the record and invitation only.It is also a place where Members of the Senate and House ofRepresentatives attend to give updates on their work, and hear feedbackfrom the conservative leaders. After being recently confirmed, it iswith great pleasure to invite the Secretary to speak at one of ourweekly meetings again. He addressed us during his service in congress.Our board at Coalitions for America believe the Secretary would be aperfect fit to discuss issues of policy with our invited guests at theWeyrich Lunch. Would April 26th or May 3rd work? If not please let usknow a Wednesday that would work for in his calendar. Do not hesitateto reach me with any questions at the phone number below. Thank you.Best, Erin DeLullo The Weyrich Lunch (b) (6) www.weyrichlunch.com

Brief and attending: Todd Wynn ----- Forwarded message -----From: Dan Burns Date: Tue, Apr 25, 2017 at 4:45 PM Subject: Re: I foundthe folder!!!! To: "Guiden, Nancy" Cc: Caroline Boulton Hi Nancy &Caroline, I'm so glad you were able to locate my cover letter/story!The bears you are looking at are "Brown Coastal Bears". They'reavailable on the coast of Katmai. In the picture that you have note howthe cub is trying to get to the salmon and note what 'Mom' is doingwith her right leg. She eventually took her cub into the reeds where they laid down to eat. Mom knows that other bears might challenge herand her cub for the food so she wisely ate in a secluded spot. My guideon this trip was bear expert, Brad Josephs. Caroline, I'm not sure howsetting up a meeting goes. Because I have a number of Wounded Warriorswill you offer a few dates that could work for Sec. Zinke? Sometimeshaving some flexibility helps because I occasionally have to organizeoutings around medical treatments and the like. Your understanding issincerely appreciated! I appreciate the warm reception you've given mywork. We look forward to meeting the Secretary and sharing our vision!Respectfully yours, Dan PS This is my Cell: (b) (6) . I rarely hearthe darn thing so calling is hit & miss. The most effective way toconnect is through email. ----- Forwarded message ----- From: Dan Burns Date: Wed, Jun 21, 2017 at 4:55 PM Subject: Sec. Zinke To:Tim Nigborowicz Hi Tim, Thank you for your update on my photos andultimately meeting with Sec. Zinke. I know I mentioned this over thephone but let me reiterate: For 7 years I've been privately mentoring a few Wounded Warriors in photography. Because high profile sportingevents aren't suitable learning environments I began taking my menteesto charity events that have a physical component to their program. Mostnotably, we've been working with Special Olympics Connecticut. In AprilI forwarded a folder that had many letters of thanks from differentcharities that the vets and I have served. Almost all vets suffer fromsome degree of PTSD. Poor social and motivational skills are oftenassociated with those with PTSD. My program inspires vets to learn anew skill (motivation) and in doing so they can't avoid improvingsocializing with others. As a reward for donating time and skill tocharity programs I've been creating high profile shoots. Last Fall theNY Giants invited me to bring a vet to shoot the Giants vs Bears game.This Memorial Day Lime Rock Park (Paul Newman's home race track when hewas alive) hosted 8 veterans along with 5 professional photographers.These vets got to experience up close what it was like to shootprofessional racing (Pirelli Challenge-CBS Sports). My next event is onAugust 11th and 12th in New Berlin, New York. The group of veteranswill experience motocross racing up close and personal. This next eventwill be on NBC Sports. I was talking with you about the "Helmet Catch".Here are my last three images from this memorable catch. The Flag inMetlife Stadium was a Veterans Day tribute prior to a Giants vsSteelers game. Thank you Tim for following up with me. I hope theSecretary will enjoy the new images & books. If the Sec. invites me tomeet with him and should there be any conflict with my donation then Ican take the stuff home when I come to Washington. Thank you Sir! Best,Dan

Description:

Valerie, I work very closely with the Bureau of Land Management in New Mexico as well as the USDA-NRCS. I would like to give a short overview of the "Restore NM" project that has been working for the past 12 years. I hope to be able to answer any questions about the large amounts of funding and the projects that are going on the ground. We have over 250 partners and have treated and restored grassland on over 3.5 million acres. Our work has benefited species habitat that are slated for possible listing under ESA. We have a very high percentage of all of the funds going on the ground with less than 10% admin. Because we have new folks with Interior and other agencies that we have worked with, we look forward to the opportunity to giving a short briefing. We hope to develop a relationship with the people in DC that can be our contacts for future projects. Thank you, Debbie Hughes, Executive Director NMACD
